1001 Ideas for Trimwork The Ultimate Source Book For Decorating With Trim Molding English and English Edition

This design resource helps do-it-yourselfers select the best style of trimwork and molding for every room in the home. Full color.

This unique book (printed in full color) contains all the information needed to cut and install crown molding and trim. Cathedral/vaulted ceilings are rarely attempted because of the many diverse compound miter joints necessary. With our easy to follow 3-Step Method, written for the novice do-it-yourself person and the professional alike, you will be amazed how easy it is. This 141-page "Crown Molding & Trim" book contains over 400 color photographs and illustrations with easy-to-understand instructions. Nowhere else will you find cutting and installing crown molding for horizontal or cathedral/vaulted ceilings made so quick and easy. The Crown Molding & Trim book also contains our proven easy-to-use Miter Table(c), Crown Molding Table(c), and Compound Miter Chart(c) which contain over 24,000 saw settings. Create inexpensive decorative crown molding shelves, fireplace mantels, crown molding cornices, and shadow boxes. Create beautiful multi-sided birdhouses, gazebos and flowerpots. Master any compound miter angle. Guaranteed! This is the only book that you will find anywhere that actually tells the novice do-it-yourself person the exact miter and blade tilt settings to easily cut any compound miter joint. With the Crown Molding & Trim book and a set of 4 True Angle(r) Tools, you will easily be able to cut and install all of the crown molding and trim in your ho

1001 Ideas for Trimwork The Ultimate Source Book For Decorating With Trim Molding English and English Edition

With over 1180 color photos and illustrations, 1001 Ideas for Trimwork, Second Edition presents molding profiles and designs to turn any style home into a showplace. This expanded second edition includes easy-to-accomplish trimwork projects such as crown moldings, chair railings, friezes, niches, wainscoting, pillars, stair embellishments, and mantel moldings. In addition to the hundreds of molding designs, the book includes scores of examples of professionally decorated rooms enhanced with trimwork and molding. Bring warmth and character to any room in the home with 1001 Ideas for Trimwork.

Demonstrates the process of installing crown molding, considering factors like the tools necessary for a project and the techniques used to successfully install the molding, and presents over forty projects.

Complemented by more than eight photographs, diagrams, and drawings, a detailed guide explains how to use molding and trim to personalize a home, presenting a host of creative projects that range from simple baseboards to complicated casings and custom crown moldings, as well as helpful advice on tools, techniques, materials, and more. Original.

Step-by-step instructions explain how to install moldings and trim to add character and to your home. A chapter on crafting bookcases and shelves shows how to create furniture of living-room quality. A special section shows how to frame interior walls and make door openings.

* Features hundreds of detailed illustrations from actual period millwork catalogs. * Demonstrates how to properly specify millwork. * Include a glossary of key terms.

Decorating with Architectural Details offers the latest inspirational ideas for the most popular design trend in today's market. Incorporating classic design elements such as mantels, window seats, shelving, and more, homeowners learn how to turn a humdrum room into a distinctive living space. Readers can create a custom look for any room using the numerous style concepts. Hundreds of lavish photographs by renowned photographer Jessie Walker capture the inspiration and excitement of details and design elements in real-world settings.

Finish Carpentry draws on years of accumulated knowledge and experience in the cutting and installation of interior trim, and is a one-stop resource for learning about this highly regarded craft, considered an art by some, that is in great demand. Finish Carpentry examines, step by step, the specific tasks assigned to the finish carpenter, and is a valuable resource for anyone pursuing a career, or interest, within this field. Comprehensive coverage of the techniques and methods that finish carpenters manage on a daily basis walk readers through all finish tasks, from installing and trimming interior doors thru casing windows, installing cabinets, and building fireplace mantles. Additional chapters on tools and safety, as well as proper preparation for the job, introduce readers to the important skills associated with not only getting the job done, but getting it done well.
