In her first book, designer Olka Novytska shares her passion for amigurumi crochet in 25 brand new designs. Enter the magical realm of AradiyaToys. With this book in one hand and your crochet hook in the other, you will be crocheting the cutest amigurumi kingdom. The mini Prince, accompanied by his trusty steed and his lovely princess sisters, visits the villagers in the realm. But be careful for robbers, wizards, and dragons as they might want to steal away the Princesses' kawaii toys! All patterns contain detailed instructions and are accompanied by step-by-step pictures and explanations of all techniques used, so both beginners and advanced crocheters can easily get acquainted with the characters in this book.

This wonderful book has it all. There are vintage jackets, booties, a sacque, and more. No baby will be disappointed with this diverse group of fashionable crochet pieces. This book includes pictures.

Crocheting: Learn to Crochet for Beginners In today's time, crocheting and knitting is the pleasure of many people. It has recently evolved the interest of many people on handicraft making that made it so popular with the high quality of yarns and threads used. The pleasure of making a crochet item is working it with different yarn textures and colors. As a beginner, a person should learn the process of making a pattern row and a single stitch crocheting. There are different methods on how to crochet a particular product. Each method should be according to the type of crochet item that will be made. The patterned diagrams will provide the person the needed instructions and details to proceed in making his crochet.
