The W201 was a compact saloon designed to address both concerns about fuel economy generated by the first oil crisis in the 1970s and competition for sales from the BMW 3 Series. Many doubted that Mercedes could deliver a compact car whilst retaining their traditional qualities. But the W201 soon won them over. For here was a car that was a real Mercedes in the tradition of the time - it was just smaller. With around 200 photographs, the book features the reasons behind the need to build a new compact saloon in the 1980s. It covers the styling, engineering and specification changes introduced over the lifetime of the model; gives full technical specifications, including paint and interior trim choices and production tables and vehicle number sequences. The story of Mercedes' long and exciting struggle to win the German Touring Car Championship with the 190 is covered. There is a chapter on the special US variants and, finally, a chapter on buying and owing a 201-series Mercedes.

A beauty on the run meets a beast on a mission in this modern-day story of vengeance, seduction, and intrigue—a spellbinding short novel in the Once Upon a Time series from bestselling author Kay Hooper. Erin Prentice has come to Miami to take a break from controlling men and figure out her next move. The last thing she expects is to fall for a charismatic stranger on the other side of her hotel balcony—a disembodied voice in the darkness before dawn, with whom she shares a moving conversation and a craving for more. There's so much power, so much pain, in his words; Erin senses he has dangerous secrets. But when she gets an eyeful of her powerfully built mystery man, Erin runs right into his arms. Keith Donovan is here to take revenge on the scumbags who killed his family. It's the exact wrong time to start something new, to want a woman so badly he'd do anything to protect her. But the bond he shares with Erin has him thinking with his heart, not his head. Keith has dedicated each waking moment to retribution. Now Erin's touch makes him want everything he thought he'd given up on: a bright future, a second chance, and a life built on love. Includes an excerpt from another Loveswept title.
