professionals are expected to help organizations identify enterprise risks and provide quality assurance for their companies' information systems. Readers can rely on ACCOUNTING INFORMATION SYSTEMS, 11E's clear presentation to gain a thorough understanding of two issues most critical to accounting information systems in use today: enterprise systems and controls for maintaining those systems. ACCOUNTING INFORMATION SYSTEMS, 11E explores today's most intriguing accounting information systems (AIS) topics and details how these

Professor Peter Robinson (UWA) have worked together to add three new, online-only (MindTap) financial accounting chapters that bridge the gap between assumed and actual knowledge, and have redesigned the pedagogical features to make the text friendlier to first-year learners. It has also been appropriately updated for currency, including an extract from the Annual Report of Woolworths Limited for the year ending 30 June 2018 as an appendix. Premium online teaching and learning tools are available on the MindTap platform. Learn more about the online tools
