friendship, and even love? This collection of stories answers all those questions and reveals to you the hitherto untold story of Alice in Deadland.

A new thriller from the author of the Amazon.com bestselling Alice in Deadland trilogy. When there were still people around to talk to, I would introduce myself as a drinker with a writing problem. It sounded witty at the time, and certainly got a smile once in a while from the ladies. None of that matters now. There are no people left to read my books, and nobody left to listen to my attempts at wit. Now it's just me, sitting in my house on the hill, watching the undead rampage through what we humans once called our world. I sometimes wonder why I still live when those much younger, stronger, smarter and fitter than me perished. Maybe it's just dumb luck. But maybe I am being left alive for a purpose. Nobody may have cared much for my novel, but maybe this is what I was meant to write. Maybe this is what I was meant to be. The chronicler of the undead. This is my story.

It began with undead Taliban in Afghan villages—and spread faster than anyone could have anticipated. In a world laid waste by this new terror, five unlikely companions come together in a devastated New Delhi—a seventeen-year-old boy dealing with the loss of his family, a US Navy SEAL trying to get back home, a middle-aged history professor, a young girl and her three-year-old brother. When they discover that the child may hold the key to ending the pestilence that threatens to destroy their world, they begin an epic journey to a rumoured safe zone high in the Himalayas. The journey will pit them against terrible adversaries, both human and undead. Will they survive? Or will they too, like many before them, become undead citizens of Zombiistan? This gripping read from the Amazon bestseller Mainak Dhar is guaranteed to enthrall and entertain.

The #1 Indian bestseller now available to Kindle readers worldwide When it was published in paperback in India in 2005, Open Secrets became an instant sensation. It became the #1 Non-Fiction bestseller, a position it held for many months and generated a firestorm of controversy. There were court cases, death threats against the author, intense debates in the media and a change in India's Official Secrets Act after the issues raised in the book caused uproar in Parliament. All of this is in hindsight not surprising as Open Secrets was the first of its kind- the first time a retired Indian Intelligence Bureau Officer penned his memoirs- detailing his thirty-year career and offering unprecedented insights into some of the pivotal moments of Indian history and a peek into the political machinations that underly them. More than an expose, Open Secrets was a heartfelt plea for more transparency and accountability in India's security and intelligence apparatus- to free them to serve and protect the people of India, and not just their political masters. That debate has special resonance today in the light of the growing popular movement demanding more transparency and less corruption in Indian public life. Open Secrets is regarded as a seminal work for its fearless exposure of the Indian political system and its insightful detailing of the course of modern Indian history's turning points. ABOUT THE AUTHOR Maloy Krishna Dhar began life as a journalist and a teacher, but ended up spending more than thirty years as an officer in India's Intelligence Bureau, retiring as its Joint Director. his highly decorated career, he handled the sensitive Pakistan and Counter-terror desks, when he got a first-hand exposure to fighting the specter of Islamic terror that many Western readers were to remain blissfully unaware of till the tragic events of 9/11. After his retirement, he went back to his original love, and became a bestselling author and a recognized and highly respected authority on security matters. He passed away in May 2012, and his son, Amazon.com bestselling author Mainak Dhar, is now bringing his work to readers worldwide. A thrilling new adventure in the bestselling Alice in Deadland series. It has now been close to two years since Alice followed a bunny eared Biter down a hole, triggering off events that changed her life and that of everyone in the Deadland. The Central Committee has been overthrown in Shanghai and the people of the Mainland freed from its tyranny. Red Guards no longer threaten Alice and the people of Wonderland and humans and Biters are beginning to learn to live with each other. There is renewed hope that we can indeed recreate our world as it was before The Rising destroyed it more than fifteen years ago. That short-lived sense of security is shattered when Shanghai is obliterated in a savage and sudden attack. When that same new danger threatens Wonderland, Alice must embark on a perilous journey to hunt down this threat. This adventure takes her deep into the Homeland, a desolate land where her parents once came from; a land now torn apart by Zeus mercenaries, bandits and wild Biters; a once mighty and prosperous nation known as the United States of America.

Last three pages contains the prologue to the planned sequel to the present work titled: Key of chaos.

The Myth: Alice was an ordinary girl who stepped through the looking glass and entered a fairy-tale world invented by Lewis Carroll in his famous storybook. The Truth: Wonderland is real. Alyss Heart is the heir to the throne, until her murderous aunt Redd steals the crown and kills Alyss' parents. To escape Redd, Alyss and her bodyguard, Hatter Madigan, must flee to our world through the Pool of Tears. But in the pool Alyss and Hatter are separated. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the violent, heartbreaking story of her young life. Yet he gets the story all wrong. Hatter Madigan knows the truth only too well, and he is searching every corner of our world to find the lost princess and return her to Wonderland so she may battle Redd for her rightful place as the Queen of Hearts.

You've played the award-winning, free-to-play roleplaying game, Path of Exile. Now find out how the nightmare began through Victario's eyes in the graphic novel that serves as prequel to the action-packed game! Before the Cataclysm, before the first exile set foot upon the corrupted shores of Wraeclast... there stood the Eternal Empire. There raged the Purity Rebellion. And there was Victario Nevalius, the People's Poet. Finding himself among the fearsome Karui, Victario negotiates an alliance with their king, Kaom, to oppose the tyranny of Eternal Emperor Chitus. Can Victario swell the Purity Rebellion's

ranks with the greatest warriors in the empire? Can King Kaom defeat the finest archer in the empire, Marceus Lioneye? How will Victario survive to pen the tale? And how do this far-flung rebellion connect to the apocalyptic visions that plague Victario's every waking hour?

THE LATEST THRILLING ADVENTURE IN THE BESTSELLING ALICE IN DEADLAND SERIES. SOON TO BE A TV SERIES. Six months have passed since the events depicted in Hunting The Snark. The tyrants of the Executive Committee have been routed and under Alice's leadership, humans and Biters of Wonderland know a peace unlike any they have known. Alice and her friends have begun liberating humans in the wastelands beyond their city from the clutches of warlords and bandits. Farms are set up to feed the expanding population of Wonderland and people begin settling these areas. This brings them face to face with a new terror. A terror that comes out of its lair in the remote mountains, riding out on horses, leaving slaughter and destruction in its wake. This terror is the horde of the Phantoms of the North, and Alice must defeat it if she is to save Wonderland.
