This illustration-packed book will help every child learn and remember challenging words! For each of its 100 words, you'll find a simple pronunciation, a kid-friendly definition, an example of how to use the word in a sentence, and a fun illustration that further scaffolds kids' understanding. The pages also include lively notes and doodles to spark kids' interest. Words are presented in groups of five that are linked in some way—words may have related meanings, share the same Latin or Greek root, or be a good way to describe something. Plus, engaging word-building activities give kids the multiple exposures to a word they need to truly OwnO it. Also includes a handy checklist so kids can track their growing word power. A fun, unique book that will help every child develop a prodigious vocabulary! For use with Grade 3.

For each word, you'll find a simple pronunciation, a kid-friendly definition, an example of how to use the word in a sentence, and a fun illustration that further scaffolds kids' understanding. Words are presented in groups of five that are linked in some way—for example, words may have related meanings or share the same Latin or Greek root. Engaging word-building activities give kids the multiple exposures to a word they need to truly "own" each word. Each book also includes a handy checklist so kids can track their growing word power. Loaded with lively notes and doodles to spark kids' interest! 2-color!

Each book in the Word Power series provides 22 activities which introduce more than 60 challenging new words chosen from popular literature at the designated level. This mode of selection expands the conventional basal vocabularies and ensures the usefulness of words learned. Three two-page reviews reinforce learning. Activity pages introduce new words in context. Reinforcement is provided in student activities matching words with their meanings, alphabetizing words, matching words with their antonyms, and completing puzzles. All lessons are teacher-created. The teaching guide includes a list of source books for each level.
