Young Albert Weiss was spared the horrors of Auschwitz when his parents threw him and his brother from the transport train. Years later, with the help of other survivors of the holocaust, he explores the myriad ways of confronting not just the evil that robbed him of his childhood, but the guilt he feels for having lost his brother on that wintry night.Mosaic, non-linear and semi-autobiographical, this book is reminiscent in style of Kurt Vonnegut's Slaughterhouse-Five and in theme of the works of Primo Levi. In documenting the stories of child survivors, it is a moving and necessary addition to the literature of the Holocaust.

In this riveting sequel to the instant New York Times bestseller, Maestra, femme fatale Judith Rashleigh once again leads readers into the mesmerizing and dangerous underworld of Europe's glamorous elite. Since opening her own art gallery in Venice, Judith Rashleigh—now Elisabeth Teerlinc—can finally stop running. She's got the paycheck, lifestyle, and wardrobe she always dreamed of, not to mention the interest of a Russian billionaire. But when a chance encounter in Ibiza leads to a corpse that is, for once, not her own doing, she finds her life is back on the line—and she's more alone than ever. It seems Judith's become involved with more than just one stolen painting, and there is someone else willing to kill for what's theirs. From St. Moritz to Serbia, Judith again finds herself maneuvering the strange landscapes of wealth, but this time there's far more than her reputation at stake. How far will Rage take Judith? Far enough to escape death? The second installment in an unforgettable trilogy, Domina is the next sexy, ruthless, and decadent thriller from mastermind L. S. Hilton, and an adventure that will push Judith further than even she imagined she could go.

The restless King Oliver VII of Alturia, an obscure Central European state whose only notable exports are wine and sardines, wants nothing more than an easy life: so, plotting a coup against himself, King Oliver VII escapes to Venice in search of 'real' experience. There he falls in with a team of con-men and ends up, to his own surprise, impersonating himself. His journey through successive levels of illusion and reality teaches him much about the world, about his own nature and the paradoxes of the human condition. Szerb offered Oliver VII as a translation from a non-existent English writer, A H Redcliff — typical Szerb humor, or a reflection of the fact that as a 'rootless cosmopolitan' his own work was banned by the Nazi regime?

Do you remember me? is the story of Louis, a man who years ago faced a tragic moral dilemma. Now the consequences have come back to haunt him. This gripping novel will have readers thinking about love, friendship and whether there is ever any justification for betrayal.When Louis receives a phone call from Bertrand, his childhood best friend and companion of arms in the French Resistance, announcing his visit for the evening, a long day of anxiety begins. The two men haven't spoken since their return from hell in Buchenwald 65 years ago. Louis had betrayed Bertrand to the Germans in order to save his Jewish girlfriend. For years, Louis has tried to live a normal life and worked at forgetting his crime and betrayal. What will happen when Bertrand shows up at his door?From a setting of German-occupied Paris in the 1940's to the Buchenwald concentration camp to the present time in Chartres, France, Do you remember me? is told from the traitor's point-of-view. His lifelong struggles with guilt, haunting memories and the quest for redemption make for a powerful, poignant novel.• •• Reviews from the French press • ••"Unforgettable!" —Marie-Claire"Deeply unsettling." —Elle

THE INSTANT NEW YORK TIMES BESTSELLER "This year's most erotic novel makes Fifty Shades look like the Bible. . . . Bound to be the It beach book of the summer." -- New York Post By day, Judith Rashleigh is a put-upon assistant at a prestigious London art house. By night, she's a hostess at one of the capital's notorious champagne bars, although her work there pales against her activities on nights off. TO GET WHAT SHE WANTS Desperate to make something of herself, Judith knows she has to play the game. She's transformed her accent and taught herself about wine and the correct use of a dessert fork, not to mention the art of discretion. She's learned to be a good girl. But when Judith is fired for uncovering a dark secret at the heart of the art world--and her honest efforts at a better life are destroyed--she turns to a long-neglected friend. A friend who kept her chin up and back straight through every slight: Rage. SHE WILL CROSS EVERY LINE Feeling reckless, she accompanies one of the champagne bar's biggest clients to the French Riviera, only to find herself alone again after a fatal accident. Tired of striving and the slow crawl to the top, Judith has a realization: If you need to turn yourself into someone else, loneliness is a good place to start. And she's been lonely a long time. Maestra is a glamorous, ferocious thriller and the beginning of a razor-sharp trilogy that introduces the darkly irresistible Judith Rashleigh, a femme fatale for the ages whose vulnerability and ruthlessness will keep you guessing until the last page.

From the author of the highly acclaimed Trieste, a fierce novel about history, memory, and illness
