The field of critical care medicine is evolving quickly. To prepare for certification and refresh their knowledge, today's practitioners need a concise multidisciplinary review that focuses on the core areas of critical care. Ideal for critical care fellows, critical care nurses, residents, and practitioners who spend time in the ICU. This book employs brief chapters on focused topics to help readers review core areas and test their knowledge. Features: Broad scope addresses all major topics in adult critical care with contributions from experts in a range of disciplines. Concise chapters based on commonly referenced topics make the review easy to navigate. Focused discussions are based on patient presentation and are structured to include common causes, initial management strategies, pathophysiology, differential diagnosis, management, and outcomes. Incisive review questions (3.10 per topic) include answers and explanations to help readers understand the "how" and "why" behind each answer. Staff of MGH and its sister institutions provide consistent terminology and presentation throughout the review.

The discontinuance of the publication "after the issue of the 3rd prox." [i.e. November 3, 1905] is announced in no. 50 and 51 of volume 5. This copy ends with no. 51, October 27, and the Index, dated November 3, does not contain any references to pages of a later date

Considered one of the most influential novels in American fiction in structure, style, and drama, 'As I Lay Dying' is a true 20th-century classic. The story revolves around a grim yet darkly humorous pilgrimage, as Addie Bundren's family sets out to fulfill her last wish-to be buried in her native Jefferson, Mississippi, far from the miserable backwater surroundings of her married life. Narrated in turn by each of the family members-including Addie herself-as well as others the novel ranges in mood, from dark comedy to the deepest pathos.
