despair, and confusion. Labelled a 'problem child,' she battled with many emotions—inferiority, depression, heartbreak. By the time she was fourteen, she was walking down the road of self-destruction. Abusing drugs, self-harming, and fighting became commonplace. By the time Yvonne left the care system, she was sixteen and pregnant. After Yvonne's relationship with her child's father crumbles, she doesn't expect to find love again. But when Ryan enters her life, Yvonne cannot deny the instant connection they share. The two begin dating and fall in love. Ryan soon
