In Book 7, the zombies took a backseat as James and Fuchs focused on setting the stage for the harrowing events in Book 8: Empire of the Dead. In Book 8, the undead resurface in force. But the most nerve-jangly stuff is reserved for Juice's bullet ballet at the warehouse and Ali's meeting her match in a mid-air sniper duel and Homer's air-depleting encounter with a Spetsnaz combat diver team.

"eternally stamped in my memory" ... "Comparable to the very best Tom Clancy novels mixed in with the very best Stephen King" ... "will have you turning pages until 2 AM on a work night" ... "They grab you on the first page and kick your ass through the entire series..." ALPHA TEAM BATTLES ITS GREATEST NEMESIS With Juice in heavy contact on the do-or-die shore mission, Ali in a blistering sniper duel over the south Atlantic, and Homer all alone and massively outnumbered deep beneath the keel of the JFK, the Alpha operators are in the fight of their lives - against tactically outstanding, pain-invulnerable, and utterly merciless Spetsnaz commandos - and with no guarantees about who will be left standing at the end... THE JFK CLINGS TO SURVIVAL Perilously low on ammo, fuel, planes, pilots, and options, and seemingly outmaneuvered at every turn, the beleaguered John F. Kennedy engages in a lethal game of cat-and-mouse with the gigantic and weapons-bristling Russian battlecruiser - with not just their lives on the line, but the lives of everyone on the planet... ONE TROOP FIGHTS FURIOUSLY TO HOLD THE CENTER As London comes under unrelenting siege, Jameson and the Royal Marines face down a lightning-fast and terrifyingly uncontrolled outbreak in CentCom's Strategic Command Center - the beating heart of humanity's last defenses against the dead - and with no one but them standing in the way of total collapse and utter devastation...

Readers call the ARISEN series: "absolute masterpieces" ..."The best book I have ever read! Apart from the other eleven. We are privileged to read this series" ..."No one comes out of this book the same" ..."You have to remind yourself to breathe" ..."I keep repeating myself, but this is the best series of books of any genre I've ever read" ..."I DONT KNOW WHAT TO SAY ANYMORE!!! I JUST DONT - This is the best military fiction series ever written! Hands down" ..."If you haven't read these you need to reevaluate your life" ..."JUST WHEN YOU THINK THIS SERIES CANT GET ANY BETTER, IT DOES" ..."continues to blow my mind" ..."Just sheer unstoppable awesomeness" ..."beyond intense" ..."painfully good" ... "spellbinding" ... "insanely well written" ..."A work of art - a beautiful, smart, tension-filled experience that will leave you both exhausted and grateful, filled with such astonishing richness and depth" ..."HOLY SHIT! HOOLLY SHIT!!!!!! What a ride!!! explosive! thrilling! Words fail me..." This Is It. ALPHA TEAM GOES ONCE MORE INTO THE BREACH On what will be their final missions ever in the Zulu Alpha - and the fight of their lives - Homer & Ali, and Predator & Juice, launch out into the terminal post-Apocalypse, as London is overrun by the very last rush of death covering the entire planet. Neither mission can fail, but can all four teammates survive? Or will some go down safeguarding the lives of those they love more than life itself...? HANDON FIGHTS HIS WAY BACK FROM THE DEAD As reinforcements flood into CentCom, ahead of the onslaught of the undead world, one man lies in a coma at the heart of humanity's final fallback position. But will the ghosts of all those who've fallen before, and the love of those who yet remain, be enough to bring him back to life, and back to the fight, in time to lead the final battle...? THE LAST SURVIVORS MAN THE ALAMO OF THE ALAMO As CentCom is overrun, and it all collapses and the screen goes black, the last heroes of humanity have one final chance to save the world. But as they cling to one another in their shrinking circle of life, will they be able pull it off in the final seconds, from the mast of the last sinking ship in a world submerged in a sea of death...? Love. Death. The End Of The Line. ENDGAME

THE KENNEDY STARES INTO THE ABYSS The world's last floating nuclear supercarrier looks into the face of oblivion - as her thinned, exhausted, and beleaguered crew face the largest herd of dead ever recorded. Soon, the ship's five-acre flight deck will become the scene of a furious and desperate set-piece battle - like no combat any modern army has seen since Stalingrad. The ranks of the dead are infinite, and those of the living tiny, depleted, and running out of time... and of hope. THE ABANDONED RUN AHEAD OF THE STORM Surrounded, cut off, and left for dead, Wesley's band of sailors and survivors race ahead of the city-devouring swarm, desperate for a way off the land. Air strikes and shore bombardment threaten to vaporize them at any instant, the inlet onto which they flee is surrounded on all sides and filling up fast, and the least hesitation will get them all killed, infected, devoured - or all three at once. THE OPERATORS JUMP INTO MOUTH OF HELL Having already dodged a hundred deaths by inches, the operators of Alpha team and MARSOC now fly into two converging storms of unspeakable violence, and must parachute in and reinforce the Alamo - the hopeless and doomed defense of the carrier. A thousand things must go right for them to have a prayer of survival. But it's the job of the operators to succeed even when a million things go wrong... Ride the human spirit to its utmost limit - in the most terrifying and thrilling Arisen book yet: ARISEN, BOOK FIVE - EXODUS.

The true story for fans of the PBS Masterpiece series Victoria, this page-turning biography reveals the real woman behind the myth: a bold, glamorous, unbreakable queen!a Victoria for our times. Drawing on previously unpublished papers, this stunning portrait is a story of love and heartbreak, of devotion and grief, of strength and resilience. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES ❶ ESQUIRE ❶ THE CHICAGO PUBLIC LIBRARY ❶Victoria the Queen, Julia Baird's exquisitely wrought and meticulously researched biography, brushes the dusty myth of this extraordinary monarch.❶The New York Times Book Review (Editor's Choice) When Victoria was born, in 1819, the world was a very different place. Revolution would threaten many of Europe's monarchies in the coming decades. In Britain, a generation of royals had indulged their whims at the public's expense, and republican sentiment was growing. The Industrial Revolution was transforming the landscape, and the British Empire was commanding ever larger tracts of the globe. In a world where women were often powerless, during a century roiling with change, Victoria went on to rule the most powerful country on earth with a decisive hand. Fifth in line to the throne at the time of her birth, Victoria was an ordinary woman thrust into an extraordinary role. As a girl, she defied her mother's meddling and an adviser's bullying, forging an iron will of her own. As a teenage queen, she eagerly grasped the crown and relished the freedom it brought her. At twenty, she fell passionately in love with Prince Albert of Saxe-Coburg and Gotha, eventually giving birth to nine children. She loved sex and delighted in power. She was outspoken with her ministers, overstepping conventional boundaries and asserting her opinions. After the death of her adored Albert, she began a controversial, intimate relationship with her servant John Brown. She survived eight assassination attempts over the course of her lifetime. And as science, technology, and democracy were dramatically reshaping the world, Victoria was a symbol of steadfastness and security:queen of a quarter of the world's population at the height of the British Empire's reach. Drawing on sources that include fresh revelations about Victoria's relationship with John Brown, Julia Baird brings vividly to life the fascinating story of a woman who struggled with so many of the things we do today: balancing work and family, raising children, navigating marital strife, losing parents, combating anxiety and self-doubt, finding an identity, searching for meaning.

A world fallen - under a plague of seven billion walking dead A tiny island nation - the last refuge of the living One team - of the world's most elite special operators The dead, these heroes, humanity's last hope, all have... ARISEN, Book Three - THREE PARTS DEAD Alpha team, the world's best and last surviving Tier-1 operators, are adrift on Lake Michigan - and fast drifting into what looks like a damned hostile shoreline. Deep in the National Forest nearby, a former police officer and survivalist battles to keep her family alive - and tries to decide whether the commandos of Alpha are more dangerous to her alive or dead. Meanwhile, the John F. Kennedy, the world's last floating supercarrier, is run aground off the coast of Virginia - and facing a veritable hurricane of the dead, blowing in fast. And finally, back in Fortress Britain, the terrible outbreak from the Channel Tunnel turns out not to have been so contained after all - and a death grip is beginning to close on London, and shaping up into humanity's very last stand...

"Is Capitalism Forever?" takes a long view at our political and economic systems in the United States. From lifelong activism and study, the author argues for a future based in community and taking care of each other. The topics of equality, terrorism, social justice, and unions are all covered from the time of the Vietnam War through the present day election season. Thought-provoking and detailed, "Is Capitalism Forever?" should be read by every engaged citizen and student of history.

A world fallen - under a plague of seven billion walking dead A tiny island nation - the last refuge of the living One team - of the world's most elite special operators The dead, these heroes, humanity's last hope, all have... ARISEN Book One - Fortress Britain When the Zombie Apocalypse came, one country had shut down its borders in response to a major terrorist attack. Now Fortress Britain is the last bastion of the living - with 50 million beleaguered survivors facing down a world of 7 billion animated corpses. And when civilization fell, one international team of supremely elite special operators was being assembled for a nearly impossible mission, deployed out of the SAS barracks at Hereford. Supremely trained and armed, always the most skilled, resolved, and unstoppable amongst us, now the commandos of Alpha team are humanity's last best hope for survival. Searching through the detritus of fallen Europe, scavenging pharmaceutical labs for clues to a vaccine that might bring humanity back from the brink, now they are tasked with one last desperate operation. They must cross the Atlantic aboard the world's only remaining supercarrier, insert by air into the very middle of a dead continent, and then fight their way on foot through a city of 3 million ravening dead guys. But these Zulus will not be like any zombies they have ever fought before...
