Bring your artwork to life with the power of the FORCE! Watch,
listen, and follow along as Mike Mattesi demonstrates the
fundamental FORCE line and explains dynamic figure drawing
techniques through 30 videos that are launched through the book's
companion App. Packed with superb, powerfully drawn examples,
the updated third edition of FORCE features an all-new section on
the "FORCE blob," and dozens of fresh illustrations. Mike
Mattesi's 10th anniversary edition of FORCE will teach readers
how to put thought and imagination to paper. Whether you are an
illustrator, animator, comic book artist, or student, you'll learn to

use rhythm, shape, and line to bring out the life in any subject. The 10th Anniversary Edition contains numerous improvements. Around 30 videos are embedded within the book and accessible through the FORCE Drawing App. In the App, click on the image of the camera, point your mobile device's camera at the page with the symbol, and then finally tap the video card image floating above the drawing to launch the video. Then sit back and watch the video that shows me creating that drawing and discussing my process. Many new drawings can be found within this edition and the addition of color now further clarifies the theory of FORCE. Key Features The unique, dynamic learning system that has helped thousands of artists enhance their figure drawing abilities Dozens of updated illustrations and all-new content, exclusive to the 3rd edition Select pages can be scanned by your smartphone or other device to pull up bonus video content, enhancing the learning process Companion App: Nearly 50 videos are available on the free FORCE Drawing companion app that can be downloaded through Google Play or the Apple App Store

Superman and Lois Lane stumble on a doorway in an abandoned town that leads to another world, Infinite City, where magic and science happily coexist, but one part of its inhabitants want to branch out to the world while others want to stay in their own di

Gilbert Hernandez' sensationally semen-drenched fantasia is still the hottest Eros comic of them all. With a delightfully deviant cast featuring dripping exploits of two spunky strippers, an oversexed psychiatrist and her philandering husband.
