This sleek, high-end package has an elastic closure and a satin ribbon marker so you can dip in and dip out of your own Tokyo fashion week. With nothing more than some colored pencils, you'll be on your way to a perfect day.

Three adventure stories from the Cahill vault, together for the first time! Read at your own risk. . . In 1814, redcoats burned the White House to the ground. In 1889, Harry Houdini discovered a trick that would save his life. In 1955, the U.S. launched the world's first nuclear submarine. And one family pulled the strings behind the scenes at each of these events: the Cahills--the most powerful family the world has ever known. Now the Cahills have opened their vault and dangerous secrets are pouring out. This volume contains three previously-published ebook adventures, THE REDCOAT CHASE, THE SUBMARINE JOB, and THE HOUDINI ESCAPE, three stories that will change history as we know it forever. Flee alongside a young Cahill as Washington burns, unlock Houdini's magic, and stow away with young Fiske Cahill on a desperate mission that could cost him his life. Venture into the vault if you dare. But don't say we didn't warn you.

Nursing

The most up-to-date, comprehensive reference available in the bone marrow field. Utilizing the experience of more than twenty oncology nurses, it addresses current challenges: to influence both ethical and administrative problem solving, to help lower costs, to improve patients' understanding of problems and risks, and to participate in decision making for research studies. This text prepares nurses for an even larger role in the continuing application of marrow transplantation.

A brand new adventure from the world of The 39 Clues! For 500 years, the Cahills have been the most powerful family in the world. For 500 years, they've protected the source of their power - the 39 Clues. And for 500 years, they've kept their secrets silent. Until now. This extraordinary stand-alone novel cracks open the Cahill vault to tell the story of the most coveted piece of artwork in the world, a masterpiece that has been the target of seven separate theft attempts: Jan van Eyck's altarpiece at Ghent. OPERATION TRINITY chronicles the first Vesper attack on the altarpiece in the 1600s, then jumps to WWII and young Grace Cahill's desperate bid to save the masterwork from the Nazis. The final piece of the novel tells the story of Ian and Natalie Kabra's first solo operation and features an 11th hour appearance by Grace Cahill on her final mission. History will never be the same.
