Train like the World Champions! Over the past few years, a new trend has become ever more prominent in the soccer world: passing often, fast, and including all players in the game. Combining this with their own personal style, we have seen teams reach new heights of success from FC Barcelona to Bayern Munich and Borussia Dortmund and, most recently, the German National Team at the 2014 World Cup in Brazil. But what does it take to learn this ' art ' of passing? What are the methodological and technical requirements for becoming the new Schweinsteiger, Messi, or Neuer? In this book, the only of its kind, two German League certified coaches have created the ultimate guide to passing. Using the “ Hyballa-te Poel-Passing-Puzzle, ” they present every type of pass there is in modern soccer, with lots of drills for each type. From the goalkeeper to the center forward, everyone can learn passing with these exercises.

A training companion and workbook in one. Billy the Magic Mouse accompanies young readers through each chapter, offering tips for soccer enthusiasts, whether they're playing in organized leagues or in a nearby playground.

The popularity of youth soccer in the United States has increased dramatically in recent years. The number of players and spectators has

risen and soccer now rivals the more traditional American sports of baseball, basketball, and football. This is a study of current youth soccer training methods at professional clubs in Europe--where soccer is an extremely competitive sport--and a guide to applying those methods to young people in the United States. The author draws much of his information from personal observation of the FC Barcelona, Newcastle United, Glasgow Celtic, Munich 1860, and Slavia Prague professional teams in Europe, and provides an overview of the state of youth soccer in the United States. Chapters cover such topics as facilities, equipment, organization, and environment, player evaluation, training timetables and components, coaching, and philosophies of youth soccer. Also included are approximately 100 diagrams of soccer training exercises for youth coaches.

This book provides a tactical analysis of Pep Guardiola's 4-3-3 Attacking Tactics (56 Tactical Situations) which has been used to produce 12 Full Training Sessions (70 Practices and Variations). You can use these ready-made sessions to practice Pep Guardiola's attacking tactics and implement them into your training sessions.

This book gives you a rare opportunity to use Pep Guardiola's Practices and learn from one of the best coaches in the history of football. The 88 Attacking Combinations and Attacking Positional Patterns of Play included are taken direct from Pep Guardiola's training sessions at Manchester City, Bayern Munich and FC Barcelona.

Train Like a European Champion Coaching Manual - Barcelona, Bayern Munich and Chelsea analyzes the playing styles of 3 winners of the European Champions League: Bayern Munich, Chelsea and Barcelona. This manual is ideal for coaches wishing to understand and emulate the playing successes of the 3 of the planet's most prestigious clubs. With each team loaded with precocious talent and commanded by celebrated Head Coaches - Guardiola, Mourinho and Martino - our presenters take an intriguing look at the strengths and weaknesses of each team, the systems they employ and discuss how key players contribute to the team's success. Suitable for training sessions with youth and adult players, the manual includes 24 activities expertly illustrated in full color. Also a webinar special topics series, the manual includes a manuscript summarizing 5 clinic presentations with training activities. Topics and Contributors include: Foreword and Editor - David Newbery, United Soccer Coaches European Champions League Introduction: Ian Barker, Director of Coaching Education, United Soccer Coaches How to play like FC Bayern Munich - 2013 Champions: Lang Wedemeyer, Women's Head Coach, South Dakota State University How to play like Chelsea FC - 2012 Champions: Justin Neese, Soccer Programs Manager, Houston Dynamo How to play like FC Barcelona - 2011 Champions: Tony Englund, Author, FC Barcelona - Style and Domination

Maybe you are asking what exactly is a passing pattern and how will it make my team better? Passing patterns are designed patterns which players execute in a pre-set order. The patterns can range from very simple to very complex. The 20 Professional Soccer patterns in the book can be adjusted to fit many levels. These are the same patterns that FC Barcelona and Bayern Munich FC use in training. The most important thing to remember when training passing patterns is " The Secret Is In The Details " . What I mean by details is as follows; firmness of the pass, proper timing and movement of the receiving player, proper body position of the player receiving the ball, proper technique of the passer and receiver, eye contact with receiver before passing the ball, using correct passing and receiving surface,

establishing a rhythm of play with teammates, executing the drill at a challenging level and always remaining focused. If you want your team to improve their passing ability then this is the book for you. Pay attention to the details, make sure the patterns are trained under the deliberate practice guidelines and keep it fun.

With *Attacking Soccer- Mastering the Modern Game* every coach can set up training plans according to their needs with the help of numerous training modules compiled in a book with many illustrations.

In *Masters of Modern Soccer*, Sports Illustrated writer Grant Wahl asks: How do some of the game's smartest figures master the craft of soccer? By profiling players in every key position (American phenomenon Christian Pulisic, Mexican superstar Javier "Chicharito" Hernández, Belgium's Vincent Kompany, Spain's Xabi Alonso, Germany's Manuel Neuer) and management (Belgium coach Roberto Martínez and Borussia Dortmund sporting director Michael Zorc), Wahl reveals how elite players and coaches strategize on and off the field and execute in high pressure game situations. *Masters of Modern Soccer* is the definitive thinking fan's guide to modern soccer. For a supporter of any team, from the U.S. national teams to Manchester United, or any competition, from Mexico's Liga MX to the World Cup, this book reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. America's premier soccer journalist, Grant Wahl, follows world-class players from across the globe examining how they do their jobs. This access imbues *Masters of Modern Soccer* with deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. Wahl also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and acquire talent and deploy it on the field. A book that will stand the test of time, *Masters of Modern Soccer* is the most in-depth analysis of the craft of soccer ever written for the American fan. For any fan, player, coach, or sideline enthusiast, this book will change the way they watch the game.
