applications use familiar Australian examples and makes consistent use of real-world data. This Australian adaptation of the highly successful US text Fundamentals of Corporate Finance features a high-calibre author team of respected academics. The second edition builds on the strengths of the first edition, and incorporates updated figures, tables and facts to reflect key developments in the field of finance. For corporate finance or financial management students, at undergraduate or post-graduate level.

Provides students with an inexpensive note-taking system that contains a reduced copy of every slide in the PowerPoint presentation.

For MBA/graduate students taking a course in corporate finance. Using the unifying valuation framework based on the Law of One Price, top researchers Jonathan Berk and Peter DeMarzo set the new standard for corporate finance textbooks. Corporate Finance blends coverage of time-tested principles and the latest advancements with the practical perspective of the financial manager. With this ideal melding of the core with modern topics, innovation with proven pedagogy, Berk and DeMarzo establish the new canon in finance. The second edition reflects the constantly changing world of finance, including information on the recent financial crisis, new behavioral finance research, and updated practitioner interviews.

Fundamentals of Corporate Finance 's applied perspective cements your understanding of modern-day core principles, focusing on problem solving and real-life financial management practices--all within a clear valuation framework. MyFinanceLab for Fundamentals of Corporate Finance creates learning experiences that are truly personalized and continuously adaptive. MyFinanceLab reacts to how students are actually performing, offering data-driven guidance that helps them better absorb course material and understand difficult concepts--resulting in better performance in the course. A dynamic set of tools for gauging individual and class progress means educators can spend less time grading and more time teaching. This program will provide a better teaching and learning experience. Here's how: Improve Results with MyFinanceLab: MyFinanceLab delivers proven results in helping students succeed and provides engaging experiences that personalize learning. Help Students Review and Apply Concepts: Examples and exercises help students practice and connect to real-world decisions being made today in today's firms and policy debates. Keep Your Course Current and Relevant: New examples, exercises, and statistics appear throughout the text. Note: You are purchasing a standalone product; MyFinanceLab does not come packaged with this content. If you would like to purchase both the physical text and MyFinanceLab search for ISBN-10: 0133576876/ISBN-13: 9780133576870. That package includes ISBN-10: 013350767X/ISBN-13: 9780133507676 and ISBN-10: 0133543889/ISBN-13: 9780133543889. MyFinanceLab is not a self-paced technology and should only be purchased when required by an instructor.

For undergraduate courses in corporate finance or financial management. Help students practice and connect to real-world financial decisions Fundamentals of Corporate Finance offers a practical introduction to modern-day core principles, arming students with a problem-solving methodology, real-life financial management practices, and an overarching valuation framework that they can apply in their future careers. Updated with new examples, exercises, and statistics, the 4th Edition gives students the opportunity to practice and apply course concepts, while connecting them to the latest financial issues and policy in today's world of business.

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-

## Where To Download Berk Demarzo Harford Fundamentals Of Corporate Finance

punched, loose-leaf version. Student Value Editions also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of MyLab(tm) and Mastering(tm) platforms exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab and Mastering platforms. For undergraduate courses in corporate finance or financial management. Help readers practice and connect to real-world financial decisions Fundamentals of Corporate Finance offers a practical introduction to modern-day core principles, arming readers with a problem-solving methodology, real-life financial management practices, and an overarching valuation framework that they can apply in their future careers. Updated with new examples, exercises, and statistics, the 4th Edition gives individuals the opportunity to practice and apply concepts, while connecting them to the latest financial issues and policy in today's world of business. Also available with MyLab Finance MyLab(tm) Finance is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them better absorb course material and understand difficult concepts. If you would like to purchase both the loose-leaf version of the text and MyLab Finance, search for: 0134641922 / 9780134641928 Fundamentals of Corporate Finance, Student Value Edition Plus MyLab Finance with Pearson eText -- Access Card Package, 4/e Package consists of: 0134476115 / 9780134476117 Fundamentals of Corporate Finance, Student Value Edition 0134476441 / 9780134476445 MyLab Finance with Pearson eText -- Access Card -- for Fundamentals of Corporate Finance
