Berserk 39

From creator Kentaro Miura comes Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime. To cure the afflicted Casca, Guts and company battle Elf Island's magical defenses and finally reach Elfhelm, where the elven ruler opens the Corridor of Dreams, projecting Schierke and Farnese into the forbidding wasteland of Casca's mind. But horrors lurk there, some more foul than any in the material world!

Griffith, charismatic leader of the elite mercenary Band of the Hawk, has seen better days. His fearless champion, Guts, has left the Band, defeating Griffith in personal combat as his ticket out. With his judgment clouded by this unthinkable humiliation, Griffith eases his pain in the arms of the daughter of Midland ' s king. But the King doesn ' t take kindly to an employee picking the royal flowers, and the next stop for Griffith is the dungeon and the torture rack! Without Griffith and Guts, the Hawks become easy prey for Midland ' s army, and the AWOL Guts may be the only answer to the Hawks' — and Griffith ' s — lethal problems.

Guts the Black Swordsman just can't seem to find a little peace. On his way to the idyllic tranquility of his miniature pal Puck's homeland of Elfhelm, Guts and his companions, at the behest of a local witch, assist a village beset by a plague of hideous and deadly trolls. Assisted by the witch's disciple, Schierke, the warrior band manages to turn the tide against the beasts, but when a monstrous ogre hits town, a tide of another kind is needed, a mystic flood to wash the town clean. But when Casca and Farnese are carried away by the flood, they become prisoners in the troll's den, where a fate far worse than any imaginable death awaits!

Deep within the nightmare realm of Casca's dreams, Schierke and Farnese battle endless horrors to reach the dark secret that has imprisoned Casca's mind for so long. But the dreamworld dangers are no mere phantasms of the unconscious—they are a lethal reality to the intruders from the material world! From creator Kentaro Miura comes the latest chapter of Berserk, a sprawling adult fantasy epic of horror, humor, and fierce imagination and the inspiration for the wildly popular anime series.

Guts the Black Swordsman has again donned the accursed Berserker armor, and he ' ll need all its unholy power to battle the titanic Sea God — from the inside! As the creature takes on an army of beautiful merrow, Guts plunges deep within the God to find its sole vulnerability and pierce its living heart. But even if he can manage this impossible task deep within the leviathan, how will Guts get back out?

Desperate as Guts, the Black Swordsman, has been to reunite with his former captain and lover, the now-mad Casca, he ' s quickly learning that being together is as dangerous as being apart. What should be a simple journey to the safety of Puck ' s homeland proves to be a gauntlet of perils, as the Mark of Sacrifice each bears brings the fury of Hell down upon them, and Guts discovers that in his darkest moments he himself is the greatest danger to the woman he loves. Created by Kentaro Miura, Berserk is a fiery manga apocalypse, an ominous omnibus of furious action, fearsome horror, and funereal humor that strikes a power chord in the hearts of its devoted followers and strikes down the rest like a scythe through wheat. Bring in the sheaves!

Guts, the feared Black Swordsman, is on the rampage — and it's personal. Mozgus, the malefic master Inquisitor of the Holy See, in his murderous campaign against heretics, has captured Guts' former lover Casca and has her at the ready to be burned at the stake in the Tower of Conviction, little knowing that Casca's demonic Mark of Sacrifice is drawing hideous dark powers to the Tower. It'll take everything Guts has and more to defeat Mozgus — who is much, much more than a man — and even if he can, will he be able to save Casca from the hordes of Hell amidst the inquisitor's disintegrating citadel?

The world of Guts, the Black Swordsman, is changing in a hurry. Though a demonic maelstrom has leveled the dreaded Tower of Conviction and ended the reign of terror of its grand inquisitor, Mozgus, peace has not returned to Midland. The Tower ' s fall has heralded the unexpected return of Griffith, Guts former leader, last seen transformed from a shattered husk into one of the demon lords of the Godhand. but Griffith looks like his old self again — and with his dreams of carving out a kingdom by his own hand still intact. He ' s raising a new Band of the Hawk, but this time he ' s recruiting from the dark side to fulfill his deadly destiny!

Volume 1: His name is Guts, the Black Swordsman, a feared warrior spoken of only in whispers. Bearer of a gigantic sword, an iron hand, and the scars of countless battles and tortures, his flesh is also indelibly marked with The Brand, an unholy symbol that draws the forces of darkness to him and dooms him as their sacrifice. But Guts won't take his fate lying down; he'll cut a crimson swath of carnage through the ranks of the damned - and anyone else foolish enough to oppose him! Volume 2: The evil Count uses his dark powers to transform a defeated guard captain into an inhuman horror to combat Guts, the Black Swordsman. Puck, Guts' pint-sized fairy sidekick, is captured when he attempts to stop an old doctor's execution, and he is given as a gift to the count's daughter, a sweet girl in a gilded cage, imprisoned by her father in her own room. Guts, determined to make mincemeat of the Count, assaults the castle and carves a swath of blood-soaked destruction through the Count's minions. Volume 3: Guts, the feared Black Swordsman, finishes his desperate battle with the monstrous Count, cutting and blasting him to gory scraps when the presence of the Count's daughter makes the monster hesitate. But Guts won't even have the time to clean his gigantic sword when the Count's dying pleas activate the Behelit, summoning the five God Hands, demon lords of immeasurable power. Guts' journey so far has been a long road of pain and death, but that's a walk in the park compared to fighting his way out of Hell itself!

Guts, the Black Swordsman, and his companions have finally broken free of the monster-infested wilderness and arrived at the port city of Vritannis. But the band finds out all too quickly that humans can be just as monstrous as the nightmarish creatures and apostles they battled in the forest. As Schierke and Isidro face off against pirate slavers, Farnese's power-hungry family tries to force her once again under the yoke of their political ambitions. The group's only hope is to find a ship out of the city, but even if they manage to secure a vessel, will everyone be free to leave?
