Biology Paper 2

Human Biology Made

Simple is an introductory work on the study of biology in relation to people and the interdependence of all living things.

This book is organized into three parts encompassing 31 chapters. Part 1 deals with the people and the other animals and plants which

Acces PDF

Biology Paper 2

Essay May/June

2014

make lives possible. This part examines the study of life and its continuity, laws of heredity, multicellular organisms, cells and tissues, and the interdependence of all organisms. Part 2 discusses the body and how it works, as well as the benefits of physical fitness, personal health, and
