Saving Elliot is the most wonderful book I have ever read online / Wattpad. It's an amazing story about a teenage boy (named Elliot Fintry) who moves to Great Britain and to a new family named the Jensen's. Turns out, he's not the only Elliot around. Elliot Jensen, from the start, is enemies with Fintry.

well. When he cries, they do not understand why. When he yells, they do not know what to do. When he misbehaves, they do not know how to react. One day a social worker named Thomas comes to visit, and Elliot's world turns upside-down. Manon Gauthier's soft collage illustrations feature approachable rabbit characters, while Julie Pearson's soothing, repetitive text guides Elliot gently through the foster child system. The new families that care for the little boy are kind, but everything is strange and new, and the sudden changes make him want to cry and
