Takes the BSA (and Triumph) Unit Single engine apart, and then shows how to rebuild the engine. This book includes wiring diagrams, complete specifications, hundreds of illustrations, and, advice and tuning tips. It is of interest to BSA enthusiasts since it charts the development of one of the most successful machines to come out of Small Heath.

Access Free Bsa C15 Engine For Sale

'Rupert Ratio Unit Single Manual, Volume 2' covers in considerable detail every type of Unit Single and all factory changes to their specifications during their long production history. The book covers all the frames, tanks, wheels, tinware, stands, brakes, suspension electrics, paint colours, controls, instrumentation and and electrics - in fact everything but the engine which is covered in Volume 1.
