business is evaporating? • Is all this impacting staff morale and bottom line profits? Good human communication is more important than ever in a business world where technology and process have come to dominate at the expense of bringing out the best in people. Work colleagues respect and respond well to clear, honest communication they can trust. At the heart of that communication there needs to be a genuine focus on integrity and humanity. You may think good communication is best left to the experts, but nothing could be further from the truth. This book introduces the Innovative Communicator, who puts the soul and heart back into business communication to deliver happy staff, happy customers and more profits. The Innovative Communicator is able to build deep relationships, get their team on board, plan
