In order to stop a lethal plot and avoid war, Damen and Prince Laurent travel to the battlefield, but as the truth of their pasts comes to light, their trust in each other is tested and their lives are put at risk.

Damen is a warrior hero to his people, and the rightful heir to the throne of Akielos. But when his half-brother seizes power, Damien is captured, stripped of his identity and sent to serve the prince of an enemy nation as a pleasure slave. For Damen, there is just one rule: never, ever reveal his true identity. Because the one man Damen needs is the one man who has more reason to hate him than anyone else. Bound to thrill long term online fans of the Captive Prince trilogy, this volume contains the original story in full alongside exclusive bonus short stories.

The stunning conclusion of worldwide phenomenon—from the boldly original author of Captive Prince and Prince's Gambit. His identity now revealed, Damen must face his master Prince Laurent as Damianos of Akielos, the man Laurent has sworn to kill. On the brink of a momentous battle, the future of both their countries hangs in the balance. In the south, Kastor's forces are massing. In the north, the Regent's armies are mobilising for war. Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers. Forced into an uneasy alliance the two princes journey deep into Akielos, where they face their most dangerous opposition yet. But even if the fragile trust they have built survives the revelation of Damen's identity—can it stand against the Regents final, deadly play for the throne?

Follow Damen, Laurent and the supporting characters of Captive Prince on a series of adventures set in and around the events of the novels - and beyond, to learn what happens after the final page in the trilogy is turned.

Tryouts are well underway at King's Row for a spot on the prodigious fencing team, and scrappy fencer Nicholas isn't sure he's going to make the grade in the face of surly upperclassmen, nearly impossibly odds, and his seemingly unstoppable roommate, the surly, sullen Seiji Katayama. It'll take more than sheer determination to overcome a challenge this big! From the superstar team of C.S. Pacat (The Captive Prince) and fan-favorite artist Johanna the Mad comes the second volume of this acclaimed, dynamic series.

Save the land, or follow his heart? Time has run out for Lord Domlen. The Fortress of Rain has been cursed by the enemy Boa Visk, his people trapped as phantoms within its walls, and the rain ever falling across his lands. If he does not break the curse soon, the trapped spirits will become revenir, ghosts that feed upon the life force of the living. He needs a miracle. And he gets one. He learns of a ritual that can break the curse and free his people. But nothing comes without a price, and the price is one Lord Domlen cannot bring himself to pay: the ritual demands blood—royal blood. Desperate, he abducts Prince Falken of Teirlan to be his blood sacrifice on the night of the red moon and forces all gentle emotion far, far away. He must save his people, even at the cost of an innocent life. But as the time of the ritual draws near, how will he find the strength to kill an innocent man? Especially one who reignites all the emotions he believed he'd buried so deeply away? Prince Falken, sorcerer from Teirlan, needs his magic to escape the Fortress of Rain, but the shackles on his wrists have cut him off from his power. When he discovers the servants around him are actually spirits, he understands the stronghold is bound by dark forces—a curse that somehow revolves around his grim, noble captor. There is dark magic here, but how can he help the strong, enigmatic Domlen while he's trapped, his powers bound? There is greater magic than that of the curse, and Falken has resources beyond Domlen's ken. But when the ritual goes horribly wrong, how will Falken make his enemy trust him? And how will he save the man he's coming to love? Keywords: LGBT fantasy, m/m fantasy romance, fantasy romance, enemies to lovers

The extraordinary second novel in the acclaimed trilogy by international sensation C. S. Pacat. With their countries on the brink of war, Damen and his master Prince Laurent exchange the intrigues of the palace for the sweeping might of the battlefield as they travel to the border to avert a lethal plot. Leading a band of loyal men against desperate odds, Damen must fight together with Laurent to overcome machinations, ambushes and betrayals. With the future of both their nations at stake, a single misstep could be fatal. Despite himself, Damen is increasingly drawn to the dangerous, charismatic Laurent. But even as the fledgling trust between the two men deepens, their enemies are poised to deal them a devastating blow ...

"Upside Down gave me all the feels. Romantic and poignant, the journey of love and acceptance lingers long after the book is closed." - Jennifer L. Armentrout/J. Lynn # 1 New York Times Bestselling Author. "Lia Riley turned my emotions Upside Down with this book! Fast paced, electric and sweetly emotional-- I couldn't put it down!" -- Tracy Wolff, New York Times and USA Today Bestselling Author If You Never Get Lost, You'll Never Be Found Twenty-one-year-old Natalia Stoffl is saying good-bye to the past and turning her life upside down with a trip to the land down under. For the next six months, she'll act like a carefree exchange student, not a girl sinking under the weight of painful memories. Everything is going according to plan until she meets a brooding surfer with hypnotic green eyes and the troubling ability to see straight through her act. Bran Lockhart is having the worst year on record. After the girl of his dreams turned into a nightmare, he moved back home to Melbourne to piece his life together. Yet no amount of disappointment could blind him to the pretty California girl who gets past all his defenses. He's never wanted anyone the way he wants Talia. But when Bran gets a stark reminder of why he stopped believing in love, he and Talia must decide if what they have is once in a lifetime ... of if they were meant to live a world apart. Book 1 in the OFF THE MAP series

Thirteen is the legal thriller Lee Child, Michael Connelly, and Ruth Ware are raving about and readers can't put down. "Outstanding - an intriguing premise, a tense, gripping build-up, and a spectacular climax. This guy is the real deal. Trust me." —Lee Child "A dead bang BEAST of a book that expertly combines Cavanagh's authority on the law with an absolutely great thrill ride. Books this ingenious don't come along very often." —Michael Connelly It's the murder trial of the century. And Joshua Kane has killed to get the best seat in the house – and to be sure the wrong man goes down for the crime. Because this time, the killer isn't on trial. He's on the jury. But there's someone on his tail. Former-comman-turned-criminal-defense-attorney Eddie Flynn doesn't believe that his movie-star client killed two people. He suspects that the real killer is closer than they think – but who would guess just how close? "A brilliant, twisty, ingeniously constructed puzzle of a book. Steve Cavanagh pulls off an enviable premise with panache." —Ruth Ware
