Bandsaw Part Store  
My brother bought a Carolina brand drop bandsaw about 20 years ago, off the back of a pick up truck full of tools, from gypsies out of Travelers Rest, NC. It was a marginal saw, it never cut straight, and the bow flexed quite a bit. It did cut many pieces for us, but hardly a quality piece.

Carolina Horizontal Band Saw - Practical Machinist  
I remember seeing a South Carolina pick-up truck parked in a motel I was staying in near Houston in 1997. In the back of the pick-up was a load of the so called tools from Travelers Rest. The truck looked like an Irish Travelers style truck to me. It is interesting to drive through the Irish Travelers residential area in South Carolina.

Council.

The most comprehensive state project of its kind, the Dictionary provides information on some 4,000 notable North Carolinians whose accomplishments and occasional misdeeds span four centuries. Much of the bibliographic information found in the six volumes has been compiled for the first time. All of the persons included are deceased. They are native North Carolinians, no matter where they made the contributions for which they are noted, or non-natives whose contributions were made in North Carolina.

The events, institutions, and cultural forces that have defined North Carolina are presented in this volume containing more than two thousand entries that consist of longer essays on major subjects, briefer entries, and short summaries and definitions.
