## Resource Guide

The position of nurse case managers can be a rewarding but challenging career, as these managers play a vital role in a patient's care. In *A Guide for Nurse Case Managers*, author Charlotte Cox provides an insightful guide to this evolving field of medicine. Geared for those

# Access Free Case Manager Resource Guide

Working in hospital settings, clinics, and health plan offices, this helpful reference text provides guidelines, tips, and tools for becoming a successful nurse case manager. With more than thirty years of health care experience, Cox provides a detailed overview of this

# Access Free Case Manager Important nursing Guide

position that works to usher a patient through the health care system. A Guide for Nurse Case Managers • defines the case manager role; • provides an understanding of the basics of utilization and case management; • gives an overview of

# Access Free Case Manager Medicare and Medicaid Guide

Medicaid procedures;

- discusses the care planning process;
- shows how to structure a community resource base.

Whether you are a new case manager, a student, or a seasoned nurse needing a refresher about job basics, A Guide for Nurse Case

# Access Free Case Manager Resources will help to

shape your practice,  
provide valuable tips  
and reference tools,  
and help you with  
proven organizational  
ideas to succeed in  
the career.

The role of a  
Registered Nurse  
case manager in the  
acute care setting has  
been proven to be

# Access Free Case Manager Resource Guide

cost effective and integral to patient flow through the healthcare continuum, including the complex reimbursement systems. Registered Nurse case management is a relatively new nursing specialty of a Midwest medical center that lacks a standardized training process and

# Access Free Case Manager Resource Guide

resource availability upon orientation completion. The objective of this project is to develop a plan for the creation of a a pocket resource guide for new RN case managers using Margaret Newman's Theory of Health as Expanding Consciousness for guidance. Evidence-

# Access Free Case Manager Resource Guide

based practice literature and input from current RN case managers was explored and examined for development of the guide. Support and further resources for this project are required from nursing leadership. The comprehensive findings from this

# Access Free Case Manager Research Guide

research substantiate the creation of this valuable tool for new RN case managers.

This practical, "hands-on" guide includes vital information every case manager and administrator of a case management program need to be successful. A useful resource for working

# Access Free Case Manager Resource Guide

in the changing face of healthcare, it addresses case managers in all settings with an emphasis on nurse case managers and their role in providing patient care and containing costs.

Focusing on the "nuts and bolts" aspects of case management, it discusses the

# Access Free Case Manager Resources of case

management programs based on the authors' first hand experiences. Case Management Tip boxes in each chapter highlight important tips and provide easy access to this information. Case studies in several chapters address possible situations the

# Access Free Case Manager Resource Guide

case manager may confront along with the most effective solutions. Key points at the end of each chapter summarize pertinent information. Appendices provide extensive examples of forms and multi-disciplinary action plans used in various healthcare settings. Six new chapters
