The thoroughly revised and updated 4th edition of 101 Speed Tests for SBI & IBPS Bank PO Exam is based on the concept of TRP – Test, Revise and Practice. It aims at improving your SPEED followed by STRIKE RATE which will eventually lead to improving your SCORE. How is this product different? • Each test is based on small topics which are most important for the Bank PO exams. Each test contains 30 MCQs on the latest pattern. • The whole syllabus has been divided into 5 sections which are further distributed into 91 topics. • In the end of each section a Sectional Test is provided. • In all, the book contains around 3500 Quality MCQ's in the form of 101 tests. • Solutions to each of the 101 tests are provided at the end of the book. • It is our strong belief that if an aspirant works hard on the cues provided through each of the tests he/ she can improve his/ her learning and finally the SCORE by at least 20%.

This book looks at how Chinese companies optimize investment opportunities while implementing the Belt and Road Initiative (B&R or BRI). Specifically, it studies five high-profile infrastructure projects undertaken by Chinese firms. Going in-depth through case-study analysis, this book fills a gap by providing the background stories of these projects. By applying a case study approach to five notable and representative B&R projects, including Hambantota Port, the Port de Djibouti, and China–Belarus Industrial Park, it is found that strategies of Chinese firms to implement the BRI have been designed to achieve property rights security, reduction of transaction costs, and internalization of benefits overflowing from expanded business scope or multiple business lines. With firsthand data from host stakeholders and on-ground project managers, this book is a highly relevant and valuable text for policy makers and researchers hoping to understand the policy impact and implications of B&R investments on targeted countries
