Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

USA's historie fra 1450-1877 samt kolonisationen af Amerika. Medtager kildeskriver af historisk interesse fra perioden

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool. The best-selling Seagull Edition is also available in full color for the first time.

USAs historie indtil 1996

Barron's brand new AP Q&A World History features 600 questions and explanations covering all AP World History concepts. Practice includes all exam question types so students can apply the skills they learned in class, and answer explanations help students review and understand the content. AP Q&A World History doesn't just explain why an answer is correct; students will learn the rationale behind why each other answer choice is incorrect, helping them understand the key concepts and how to apply them on exam day. Practice questions and comprehensive explanations help students review history from the foundations of civilization circa. 600 B.C.E. to world cultures of the twenty-first century. AP Q&A World History is specifically created to help students hone critical thinking skills and practice with all AP-style question types, such as multiple-choice, numeric response, and short and long free-response questions. Looking for in-depth content review along with realistic practice tests? Try Barron's AP World History with Online Tests for even more prep.

Our American Government textbook adheres to the scope and sequence of introductory American government courses nationwide. We have endeavored to make the workings of American Government interesting and accessible to students while maintaining the conceptual coverage and rigor inherent in the subject at the college level. With this objective in mind, the content of this textbook has been developed and arranged to provide a logical progression from the fundamental principles of institutional design at the founding, to avenues of political participation, to thorough coverage of the political structures that constitute American government. The book builds upon what students have already learned and emphasizes connections between topics as well as between theory and applications. The goal of each section is to enable students not just to recognize concepts, but to work with them in ways that will be useful in later courses, future careers, and as engaged citizens. The organization and pedagogical features were developed and vetted with feedback from American government instructors dedicated to the project.
