The Chemistry of Death is British crime fiction at its best. Gruesome, shocking and disturbing but also compelling and quite gripping, author Simon Beckett never shies away from his detailed descriptions of the decay process and his exploration of the "time since death interval," the changes that take place in the body chemistry just after death.

The Chemistry of Death Dr David Hunter, Book 1 By: Simon Beckett

Three years ago, David Hunter moved to rural Norfolk to escape his life in London, his gritty work in forensics, and a tragedy that nearly destroyed him. Working as a simple country doctor, seeing his lost wife and daughter only in his dreams, David struggles to remain uninvolved when the corpse of a woman is found in the woods, a macabre sign from her killer decorating her body. In one horrifying instant, the quiet summer countryside that had been David's refuge has turned malevolent—and suddenly there is no place to hide. The village of Manham is tight-knit, far from the beaten path. As a newcomer, Dr. Hunter is immediately a suspect. Once an expert in analyzing human remains, he reluctantly joins the police investigation—and when another woman disappears, it soon becomes personal. Because this time she is someone David knows, someone who has managed to penetrate the icy barrier around his heart. With a killer's bizarre and twisted methods screaming out to him, with a brooding countryside beset with suspicion, David can feel the darkness gathering around him. For as the clock ticks down on a young woman's life, David must follow a macabre trail of clues—all the way to its final, horrifying conclusion.

Once a high-profile forensic anthropologist, Dr. David Hunter keeps his past a secret while hiding himself in an isolated English village, until he is asked by the police to use his arcane skills to help track down the killer of a young woman, whose murder becomes only the first in a series of twisted mutilation killings. Reprint.

Some moments burn in the mind for ever. The landing is dark. Light comes from a window at the far end, enough to run by. Breath comes hard. From the stairs sound heavy footfalls in pursuit. The landing ends in a last doorway. There is no more running, only the need to hide... Imagine not knowing the father of your child. Not knowing his name. What he looks like. Or what sort of person he is. Although she is desperate for a baby, that is something that Kate Powell cannot accept. Single, independent, she likes to be in control of her own life - even if it has, somehow, become strangely shallow and

meaningless. Then Kate meets a man who seems to be the answer to all her problems. But we all know appearances can be dangerously deceptive. And Kate should too. Soon her life is out her hands. And out of control...

'As bone-chillingly bleak as its subject . . . this doesn't disappoint' Financial Times A serial killer is on the loose and David Hunter suddenly finds that the past is far from dead and buried. The escape of a psychotic rapist and multiple murderer brings DI Terry Connor to David Hunter's doorstep, years after their bitter rift. This unwelcome reminder of the past forces Hunter to confront the situation at hand: eight years earlier Hunter and an ill-fated Body Recovery team, has tried to find the graves of Monk's teenage victims on the bleak expanse of Dartmoor. Only one of the missing girls' bodies was ever found. Suddenly Hunter receives an appeal from Sophie Keller, a young woman who also worked on the operation, and nothing is quite as it seems. Hunter is forced to question who he can really trust. Especially when his own life depends on it.

It's been a good summer for forensics expert Dr David Hunter. His relationship is going well and he's in demand again as a police consultant. Life is good. Then a call comes from an old associate: a body has been found; and she'd like Hunter to take a look. The empty shell of St Jude's Hospital now stands awaiting demolition; its only visitors society's outcasts; addicts and dealers. A partially mummified corpse has been discovered in the hospital's cavernous loft; but not even Hunter can say how long it's been there. All he knows for sure is that it's the body of a young woman. And that she was pregnant. But the collapse of the loft floor reveals another of the hospital's secrets. A sealed-off chamber; still with beds inside. Some of them occupied... For Hunter; what began as a straightforward case is about to become a twisted nightmare that threatens everyone around him. And as the investigation springs more surprises; one thing is certain. St Jude's hasn't claimed its last victim . . . With its viscerally authentic forensics; menacing atmosphere and nerve-shredding tension; Simon Beckett's new crime thriller will leave you gasping.

'Tightly plotted and brilliantly written, with sharp, believable characters, this whodunit is utterly irresistible' - HEAT THE INTERNATIONAL BESTSELLER Five students go to detention. Only four leave alive. Yale hopeful Bronwyn has never publicly broken a rule. Sports star Cooper only knows what he's doing in the baseball diamond. Bad boy Nate is one misstep away from a life of crime. Prom queen Addy is holding together the cracks in her perfect life. And outsider Simon, creator of the notorious gossip app at Bayview High, won't ever talk about any of them again. He dies 24 hours before he could post their deepest secrets online. Investigators conclude it's no accident. All of them are suspects. Everyone has secrets, right? What really matters is how far you'll go to protect them. \_\_\_\_\_

I could not put this book down' - THE SUN 'Pretty Little Liars meets The Breakfast Club' - ENTERTAINMENT WEEKLY

When a retired detective stumbles upon the body of a young woman, incinerated along with her island cottage, forensic anthropologist Dr. David Hunter uncovers evidence of murder, along with long-hidden secrets of the isolated island community.

'Somebody!' I half-sob and then, more quietly, 'Please.' The words seem absorbed by the afternoon heat, lost amongst the trees. In their aftermath, the silence descends again. I know then that I'm not going anywhere... Sean is on the run. We don't know why and we don't know from whom, but we do know he's abandoned his battered, blood-stained car in the middle of an isolated part of rural France at the height of a sweltering summer. Desperate to avoid the police, he takes to the parched fields and country lanes but his leg is caught in a vicious animal trap. Near unconscious from pain and loss of blood, he is freed
