An Introduction To Christian Ethics 5th Edition

Christians have used:

- Ethical systems using the principle of 'duty', called deontological theories (Greek deon = duty). Key person is Immanuel Kant, a devout Christian and highly influential.
- Ethical systems which try to assess the outcome of an ethical decision, called

Ethics she should live: as morally happy beings created in the image of God to enjoy glorifying him. The modern church has forgotten the biblical role of happiness according to a Christian worldview. The bride of Christ today faintly reflects the beauty of her Hebraic genesis. She has fallen fast asleep under the spell of deontological (duty-based) ethics that fails to take into account God-given aspects to her humanity, such as personal desires. Three key Hebraic words have the hermeneutical power to transform the church back to her radiant self: esher (i.e., happy, happiness), barak (i.e., bless, blessed), and shalom (i.e., peace, prosperity, health, well-being, favor, friendship, security, and salvation). These terms collectively prescribe a proper morality of happiness to be lived in Christian community. This book is meant to be used as an academic text and/or

foundations of Christian morality, to add to what they have already received in their faith community and in their family. The manual presents young people with the fundamental concerns of the moral life in a Catholic Christian context. Above all, the course is an invitation to young people to build God's Reign by loving themselves and others as God loves them. In other words, it is an invitation to become holy, healthy, and happy. In doing so, they will bring God and the world together!
