Coltrane ' s influence was already immense, but most players at that point were still studying what he ' d done a few years earlier. So why is there not one example of Sanders playing this way with Coltrane? I haven ' t had a chance to ask this of him (even though I did hang with him once backstage), but I ' m guessing that the last thing John ...

She has been singing since childhood and shares one of the most illustrious names in jazz. But, putting family commitments first, Michelle Coltrane, daughter of Alice and stepdaughter of John (who died when she was 6), waited until her mid-30s to record her debut album, I Think of You. It has taken almost a quarter-century for Coltrane, now 57, to shape her sophomore release, Awakening (Blujazz ...

Although not mentioned in Coltrane ' s notes, there ' s a long drum solo to kick off this movement. (It may have been an impromptu decision in the studio.) In the original plan, the long bass solo was the third movement. Coltrane writes, “ Pause. Bass move (sic) into solo. III. Bass solo. ” But on the recording it ' s a transition between ...

"Coltrane's sound" is almost a polar opposite of the group's latest output with the music seeing John Coltrane effectively squeeze the last drops out of Hard Bop. I think that fans of Coltrane's later work will miss the intensity of albums like "One up, one down" or "Sun ship" yet the record for me is easily one of his most enjoyable.

Coltrane met Alice Coltrane (n é e McLeod), a pianist, in 1963. The two were married in 1966 and had three sons together. Originally a bebop pianist, she would become better known as a harpist and purveyor of cosmic free jazz.

This is the final volume in the series » Placenames of the Isle of Man « . It includes the town of Douglas, Place-Name and Field-Name Addenda, complete indexes of place-name elements, place-names, field-names, and personal names. In addition there are four articles embracing place-names and the environment. Pre-Scandinavian place-names in Man, the nature of Scandinavian place-names in Man, and Goidelic and Scandinavian common elements. To complete the volume are 17 parish maps containing the traditional land divisions of treen and quarterland.

Lists for 19 include the Mathematical Association of America, and 1955- also the Society for Industrial and Applied Mathematics.
