You'll find those topics in here, to be sure. When the spiritual gift of leadership comes alive in churches everywhere, the church will become the hope of the world and a most influential force for good.

The best leaders not only lead well but also reflect on their

leadership long enough and thoughtfully enough to articulate the philosophies that cause them to do so. Whether serving in the marketplace or in ministry, as executives or rank-and-file employees, as salaried staff or volunteer servants, good leaders can pinpoint the rationale for their actions and decisions with the ease of reciting their home address. In Axiom: author Bill Hybels divulges the God-given convictions that have dictated his leadership strategy for more than three decades as senior pastor of Willow Creek Community Church. Oriented toward four key leadership categories ... 1. Vision and strategy ('Promote Shameless Profitability, ' 'Take a Flyer') 2. Teamwork and communication ('Obi-Wan Kenobi Isn't for Hire, ' 'Disagree without Drawing Blood') 3. Activity and assessment ('Develop a Mole System, ' 'Sweat the Small

Stuff') 4. Personal integrity ('Admit Mistakes, and Your Stock Goes Up, 'Fight for Your Family') ...Axiom brokers accessible wisdom from one leader's journey, as well as emboldens you to nail down the reasons why you lead like you lead.

What if you knew that by simply crossing the room and saying hello to someone, you could change that person's forever? Just a few steps to make an eternal difference. It has nothing to do with methods and everything to do with taking a genuine interest in another human being. All you need is a heart that's in tune with the Holy Spirit and a willingness to venture out of your "Circle of Comfort" and into another person's life. Just Walk Across the Room brings personal

evangelism into the twenty-first century. Building on the solid foundation laid in *Becoming a Contagious Christian*, Bill Hybels shows how you can participate in the model first set by Jesus, who stepped down from heaven 2,000 years ago to bring hope and redemption to broken people living in a fallen world. Now it's your turn. Your journey may not be as dramatic, but it can have a life-changing impact for someone standing a few steps away from you—and for you as well, as you learn the power of extending care, compassion, and inclusiveness under the guidance of the Holy Spirit. The highest value in personal evangelism is cooperating with the Spirit, says Hybels. This means playing only the role you're meant to play—walking when the Spirit says to walk, talking when he says to talk, and falling silent when he suggests that

you've said enough. Hybels encourages you to “live in 3D” ... —Developing friendships —Discovering stories —Discerning appropriate next steps ... as a means of learning to understand the Holy Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Bill Hybels shows with convincing and inspiring clarity the power of this personal, richly relational approach to evangelism. The stakes are high. The implications are eternal. And you may be only a conversation away from having an eternal impact on someone's life—if you will just walk across the room.

When Leadership and Discipleship Collide Using stories from his own life and ministry, Bill Hybels shows how the laws for

File Type PDF Courageous Leadership Bill Hybels

leadership success can sometimes crash headlong into another reality: an inner prompting of the Spirit showing you a different approach. The decisions you make at that point could affect not only you, but the ultimate destiny of those you lead.

Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the

File Type PDF Courageous Leadership Bill Hybels

church is the equation "X (paid staff) + Y (volunteers) = Z (bearing much fruit for God's glory)." Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls "the Y factor." The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to "equip God's people for works of service" they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church

staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation.
