I did not want to spend the money on a lawn mower that I would just be replacing in a year or two. It is self propelled which makes cutting the yard so much easier and faster.

The Briggs and Stratton 675 Series is the type of lawnmower you call in when others can't get the job done. To speak in mob terms, the weaker engines would be Ray Liotta, while the 675 Series would be Joe Pesci. He'll smack the mouthy weeds on the head, throw them in the trunk and they'll never be seen again.
