could gain control of everything. Emma Donahoe has faced down threats to her loved ones and never given up the fight. But as the demons close in, she faces a new danger—John's love for her could lead to her complete annihilation. As battles rage for control of Heaven and Earth, Emma must fight her own war to retain her identity as it disintegrates into the man she loves . . .

Author Kylie Chan has a boldly, brazenly unique take on urban fantasy—she combines it with Kung Fu. In *Earth to Hell*, Chan launches the characters from her *Dark Heavens* trilogy (*White Tiger*, *Red Phoenix*, *Blue Dragon*) on a new adventure that will take them from the teeming streets of Hong Kong through the portals of Hell to set free a friend—as demons and devils rise up to challenge them in life-or-death battle, forcing Emma Donahoe Chen, wife of

God of the Northern Heavens, to seek the help of a sworn foe, the fearsome Demon King. An irresistible blend of Chinese mythology, martial arts action, and ingenious invention, *Earth to Hell* is a treat for Kung Fu movie fans; for readers of Lilith Saintcrow, Liz Williams, Karen Chance, Devon Monk, and Ilona Andrews; and for anyone who desires a different kind of fantasy.

Australian author Kylie Chan concludes her action-packed contemporary urban fantasy trilogy with *Blue Dragon*—a most satisfying end to her electrifying tale of ancient gods and malevolent demons, of love and extraordinary destiny. Once again, the author of *White Tiger* and *Red Phoenix* draws from Chinese mythology and ingeniously combines magic, martial arts, and Taoist philosophy with paranormal romance, as heroine Emma

melanin provides the template for the subtle energy body or light body □ Shows how embracing the dark light consciousness of the awakened Ureaus opens a portal to the sacred darkness of the superconscious □ Provides illustrated instructions for meditation practices, breathing exercises, and yoga postures to safely awaken Ureaus/Kundalini energy Within each of us lies the potential to activate a personal connection to the superconscious. Called □Ureaus□ in ancient Egyptian texts and □Kundalini□ in ancient Hindu yoga traditions, our innate serpent power of spiritual transcendence inhabits the base of the spine in its dormant state. When awakened, it unfurls along the spinal column to the brain, connecting individual consciousness to the consciousness of the universe enfolded within the dark matter of space. At the root of creativity and spiritual genius across innumerable cultures and civilizations,

this intelligent force reveals portals that enfold time, space, and the luminous matrix of reality itself. Combining physics, neuroscience, and biochemistry with ancient traditions from Africa and India, Edward Bruce Bynum, Ph.D., explores the ancient Egyptian science of the Ureaus and reveals how it is intimately connected to dark matter and to melanin, a light-sensitive, energy-conducting substance found in the brain, nervous system, and organs of all higher life-forms. He explains how the dark light of melanin serves as the biochemical infrastructure for the subtle energy body, just as dark matter, together with gravity, holds the galaxies and constellations together. With illustrated instructions, he shows how to safely awaken and stabilize the spiritual energy of the Ureaus through meditation practices, breathing exercises, and yoga postures as well as how to prepare the subtle body for transdimensional soul

Magic, Monsters, and Make-Believe Heroes looks at fantasy film, television, and participative culture as evidence of our ongoing need for a mythic vision—for stories larger than ourselves into which we write ourselves and through which we can become the heroes of our own story. Why do we tell and retell the same stories over and over when we know they can't possibly be true? Contrary to popular belief, it's not because pop culture has run out of good ideas. Rather, it is precisely because these stories are so fantastic, some
