One day she's an innocent young girl, the next she's the sexual property of the Death Layer Club...When recently-unemployed 24-year old Ava Clark lands her dream job working for one of the most prestigious multi-national corporations on the planet, her enigmatic and incredibly handsome boss Vincent King seems to be icing on the cake. However, despite his superficial charm and intimidating good-looks, Mr. King's facade quickly crumbles revealing a heartless sociopath intent on selling Ava into sexual slavery to cover a gambling debt. The depraved, sadistic bikers of the Death Layer Motorcycle Club know just what to do with such an impeccable young beauty-sacrifice her to the notoriously violent Bane "The Beast" Harme as a peace offering.He's a hardened killer, a ruthless bastard...100% tattoos and testosterone.And he's the best fucking thing that's ever happened to her>Welcome to The Depraved Club series Book #1. This is a STANDALONE contemporary romance novel. No Cliff Hanger. Content suitable for adults only, contains violence, and graphic sexual content.

A hang-onto-your-hat-and-heart thriller of triumph and tragedy that barrels along at F. Paul Wilson's trademark breakneck pace. Harbingers It starts off so simply: Jack, still feeling down after the tragic events of Infernal, is hanging in Julio's when a regular named Timmy asks him for help. His teenage niece has been missing since this morning: the police say it's too early to worry, but Timmy knows something bad has happened. Jack says he'll put the word out on the street. This innocent request triggers a chain of seemingly coincidental events that lead Jack into the darkest days of his life. As has become evident in the series, Jack has been singled out, unwillingly, as the champion of one of the two supernatural forces contending for control of all human life on Earth. Neither of these forces are good or evil, just dangerous and amoral. They value and notice individual humans about as much as we do mosquitos. Jack is desperate . . . and the last thing you want to do is make Jack desperate. That's when things begin to blow up and people begin to die. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

What sort of girl loves sin like I do?What sort of person thrives in it?I'm the princess to a dirty throne of motorcycles and madness, daughter of the president of the Death by Daybreak Motorcycle Club. My father's four closest officers--men dressed in blood and death and sin--they're my honor guard, cloaked in leather vests and tattoos. Only, there's nothing honorable about them at all.They're all wrong for me.Every motorcycle club has its old ladies.These guys ... they share one.They share me.*I WAS BORN RUINED is a 90,000 word new adult, reverse harem, motorcycle club romance with one daring, bada** leading lady, her four sexy outlaws, and a romantic suspense plot. Contains cursing, violence, and sexual situations.**

Obsession. It's an ugly thing. It consumes you. Controls you. Dictates your every move.You can try to fight it, try to resist. But its stronger than you. It always wins. The day I first saw her, obsession took root inside me. Suddenly there was nothing else. Just her. My obsession left me no choice. I had to have her. No matter the cost. No matter the risk.In the end she will be mine. Until then...I wait. *DEPRAVED is a dark MC Romance with scenes that might offend sensitive readers*

An Extraordinary and Death-Defying Tour of Edwardian Low Life and High Society, accompanied by our host Lucifer Box Esq - artist, dandy, rake ... and lethal secret agent. Lucifer Box is the darling of the Edwardian belle monde - society's most fashionable portrait painter is a wit, a dandy, a rake, the guest all hostesses (and not a few hosts) must have. But few know that Lucifer Box is also His Majesty's most accomplished and daring secret agent. Beneath London's façade of Imperial grandeur and divine aesthetes seethes an underworld of crazed anarchists, murder, and despicable vice, and Box is at home in both. And so of course when Britain's most prominent scientists begin turning up dead, there is only one man his country can turn to. Lucifer Box ruthlessly deduces and seduces his way from his elegant townhouse at Number 9 Downing Street (all his father left him), to private stews of London and the seediest, most colourful back alleys of Italy, in search of the mighty secret society that may hold the fate of the world in its claw-like hands - the Vesuvius Club.

They say girls are made of sugar and spice and everything nice. And boys are made of snips and snails and puppy dog tails. But what is everyone else made of? Misery and Death and Everything Depressing. Seven stories by C.V. Hunt. To Say Mother Teresa Was Shocked When She Woke Up In Hell Would Be An Understatement Last Woman On Earth The Quarry No Room For A Child Baby Hater Human Contact The Last Entry

Siena Lazio is a lot of things...but reckless isn't one of them.She's only in her mid-twenties and already Team Ferrelli's Director of Public Relations and heiress to the top Formula One racing team. The esteemed daughter of Alfonso Lazio, the greatest driver F1 has ever seen, Siena seems to have it all figured out. All she has to do is uphold her family's honor and ensure her brother Enzo's public image is pristine while he rises to fame and clenches the title as Formula One's new champion.Everything is perfect....Until she's swept mercilessly off her feet by the one man she can never be with. The one man who can fuck it all up.Harrison Davies is Team McClain's secret weapon and he's the only driver who threatens to steal the championship from Enzo. The tattooed British bad boy knows how to get what he wants. And always gets what he wants.Harrison and Siena fall deeper and deeper with each secret tryst: Passion flares, reality fades, and the lines between right and wrong begin to blur. Driven by lust and ambition the couple delves into a world of treachery, deceit, lies, and ultimate betrayal. Is Siena ready to place her fragile heart into the hands of a speed demon and will the thrill of falling for him be worth it when they wreck?Book #1 in the Take Me... SeriesFull Length New Adult Contemporary Romance NovelREADERS 18+ ONLY - Contains adult themes and explicit sexual content.

This is R. J. Rummel's fourth book in a series devoted to genocide and government mass murder, or what he calls democide. He presents the primary results, in tables and figures, as well as a historical sketch of the major cases of democide, those in which one million or more people were killed by a regime. In Death by Government, Rummel does not aim to describe democide itself, but to determine its nature and scope in order to test the theory that democracies are inherently nonviolent. Rummel discusses genocide in China, Nazi Germany, Japan, Cambodia, Turkey, Yugoslavia, Poland, the Soviet Union, and Pakistan. He also writes about areas of suspected genocide: North Korea, Mexico, and feudal Russia. His results clearly and decisively show that democracies commit less democide than other regimes. The underlying principle is that the less freedom people have, the greater the violence; the more freedom, the less the violence. Thus, as Rummel says, à The problem is power. The solution is democracy. The course of action is to foster freedom. à Death by Government is a compelling look at the horrors that occur in modern societies. It depicts how democide has been very much a part of human history. Among other examples, the book includes the massacre of Europeans during the Thirty Years' War, the relatively unknown genocide of the French Revolution, and the slaughtering of American Indians by colonists in the New World. This riveting account is an essential tool for historians, political scientists, and scholars interested in the study of genocide.

Think adolescence is hell? You have no idea... Welcome to Dante's Inferno, by way of The Breakfast Club, from the mind of American fiction's most brilliant troublemaker. "Death, like life, is what you make out of it." So says Madison, the whip-tongued 11-year-old narrator of Damned, Chuck Palahniuk's subversive homage to the young adult genre. Madison is abandoned at her Swiss boarding school over Christmas while her parents are off touting their new film projects and adopting more orphans. Over the holidays she dies of a marijuana overdose--and the next thing she knows, she's in Hell. This is the afterlife as only Chuck Palahniuk could imagine it: a twisted inferno inspired by both the most extreme and mundane of human evils, where The English Patient plays on repeat and roaming demons devour sinners limb by limb. However, underneath Madison's sad teenager affect there is still a child struggling to accept not only the events of her dysfunctional life, but also the truth about her death. For Madison, though, a more immediate source of comfort lies in the motley crew of young sinners she meets during her first days in Hell. With the help of Archer, Babette, Leonard, and Patterson, she learns to navigate Hell--and discovers that she'd rather be mortal and deluded and stupid with those she loves than perfect and alone.

A tough and lusty novel that moves with the white-heat of a lightning bolt! Johnny Reagan quickly learned the slum 's depraved rules for survival. At six, he was a petty thief. At twelve, he was a procurer. At twenty-one, he was a respectable, loveable, 18-carat heel who never missed a trick—especially if she promised an evening 's cheap thrills. Then rich Mr. Connors befriended Johnny, and Johnny knew there was big money to be made—if he pulled the right strings, told the right lies, and played around with the right women. But Johnny played with Julie...Julie who had been brought up in the same slum that had spawned Johnny—and who knew all the cute gutter tricks Johnny thought were his exclusive property ... plus a few female tricks all her own.
