Discovering Biblical Equality:  
Complementarity Without ...

Discovering Biblical Equality presents a Scripturally-founded case for the complementarity of the sexes outside hierarchal gender roles. These 29 essays represent both a positive explanation and thoughtful defense of Biblical gender equality, fostering dialogue within the greater evangelical movement on a topic that touches the lives of all believers.

Short Answers to Challenging Texts: 1  
Timothy 2:11-15 | CBE

Discovering Biblical Equality(DBE) is a response to an earlier (and equally weighty) edited volume by adherents to CBMW titled Recovering Biblical Manhood and Womanhood(RBMW) which is itself subtitled A Response to Evangelical Feminism.<sup>3</sup>The two volumes are organized in rather similar fashion, which underlines the fact that both sides agree as to what are the crucial issues in the debate.

Hierarchy Roland W. Pierce

"Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional prooftexts," writes Rebecca Merrill Groothuis. And though faithful exegesis is certainly crucial, a "myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate." In *Good News for Women*, Groothuis looks at the Big Picture, the overall outline of biblical teaching on relationships between men and women. This provides the foundation for examining the passages specifically relating to gender issues. Written with the razor-sharp insight that prompted critical acclaim for Groothuis' first book, *Good News for Women* shows that:

- the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy
- traditionalist prooftexts do not

# Read Free Discovering Biblical Equality

present an open and shut case in favor of universal male authority • the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today

This first-rate biblical and theological study offers an accessible examination of the key texts of Scripture pertinent to understanding female roles, affirming full equality of the sexes in family and church. The third edition has been revised throughout. Gilbert Bilezikian avoids using scholarly jargon and complex argumentation in the main text of the book to encourage readers to interact with the biblical research. The aim is for nonspecialized readers to be able to follow his discussion step-by-step, evaluate arguments, consider alternative views, and arrive at independent conclusions. The study guide format of the book is designed

## Read Free Discovering Biblical Equality

for either individual investigation or group work. Pastors, church leaders, students, and those interested in issues relating to gender and church life will value this classic work on the egalitarian viewpoint.

Does Paul teach a hierarchy of authority of man over woman, or does he teach the full equality of man and woman in the church and home? In *Man and Woman, One in Christ*, Philip Barton Payne answers this question and more, injecting crucial insights into the discussion of Paul's view of women. Condensing over three decades of research on this topic, Payne's rigorous exegetical analysis demonstrates the consistency of Paul's message on this topic and its coherence with the rest of his theology. Payne's exegetical examination of the Pauline corpus is thorough, exploring the influences on Paul, his practice as a church leader, and his

# Read Free Discovering Biblical Equality

teachings to various Christian communities. Paul's theology, instruction, and practice consistently affirm the equal standing of men and women, with profound implications for the church today. *Man and Woman, One in Christ* is required reading for all who desire to understand the meaning of Paul's statements regarding women and their relevance for Christian relationships and ministry today. This work has the potential of uniting the church on this contentious issue.

A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot-button topic, the church is not immune to the controversy. In fact, the church has wrestled with varying degrees of evangelical feminism for decades. As evangelical feminism has crept into the church, time-trusted resources like

# Read Free Discovering Biblical Equality

Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say. In this new edition of the award-winning best seller, more than 20 influential men and women such as John Piper, Wayne Grudem, D. A. Carson, and Elisabeth Elliot offer thought-provoking essays responding to the challenge egalitarianism poses to life in the church and in the home. Covering topics like role distinctions in the church, how biblical manhood and womanhood should work out in practice, and women in the history of the church, this helpful resource will help readers learn to orient their beliefs with God's unchanging word in an ever-changing culture.

Solid scriptural and archaeological evidence refutes the traditional interpretation used to bar women from leadership.
