Before Someday- Alex Tells All includes all four part of Alex's story: The Wait, The Moment, The Hold, and the Forever. Before Someday is the perfect combination of sweet and sexy, humor and angst, and a whole hell of a lot of love. Alex is the irresistibly sexy and charming guy who Meg falls madly in love with her freshman year. There is just one problem. He's going off to college and she's still in high school. * * * "I love you, Megan." The subtle brush of her lips along mine fills my heart with emotion. "I love you, too, Alex. This is it. This is our someday." A hint of a smile reveals itself as my gaze catches hers. Four years of heat, desire, love is shared between us. "No, Megan." I lay a soft kiss on her lips. "This...is our forever." * * * In the first part of Double Threat Series, you were captivated by the sassy wit of Megan Miller and the heartwarming romance she shared with the guy who stole her heart and took off with it four hundred miles away. You wondered what Alex was up to while he was away at college. You questioned what he was thinking the night they played strip Twister. And you were dying to find out what the hell he could possibly see in Amy. Now's your chance to find out when you read Alex Aguilar's point of view in Before Someday. Alex Tells All about finding the one in this Double Threat novel. * * * The Double Threat Series Meg's Books * So I'm a Double Threat, #1 * Double Threat My Bleep, #2 * Double Time, #3 * Double Threats Forever, #4 * The Double Threat Series Box Set * Losing It: A Collection of V-Cards Alex's Books * Before Someday- Part One: The Wait, #5 * Before Someday- Part Two: The Moment, #6 * Before Someday- Part Three: The Hold, #7 * Before Someday- Part Four: The Forever, #8 * Before Someday- Alex Tells All, #9 (includes #5-#8) The One for Me- Ben's Story, #10 (coming someday in the future) These books include content intended for mature YA/adult readers.

Megan Miller, a freshman at Carver High and a Double Threat, the perfect combination of smart and popular. She's got the grades, she's got the friends, and she's got the connections. Freshman year should be a breeze, but it's not. How can it be when you have boys, boys and boys on the brain. And really only one in particular. Alex Aguilar...the boy of Meg's dreams. They met at a party and Meg's whole world shifted. The spark was there, there was no denying it. But could that spark lead to more? Can a Senior and Freshman really make a go of it no matter what kind of connection they share? Or will outside circumstances ruin not only Meg's Freshman year, but her chance at hooking the guy of her dreams. Being a Double Threat is supposed to make you special, but is it worth it if you don't get your crush?

Summer McGallian ... the scandalous home wrecker from Against the Wall and Between The Sheets. The one who stole her co-worker's fiancé, the other woman, the one people whisper about and stay away from. Only for Summer, things aren't always as they appear and she knows that better than anyone. She hasn't been herself since she was in high school, when life was less complicated and relationships weren't about making compromises to land the guy. When her heart is broken, there's only one thing left for her to do ... prove she isn't who everyone thinks she is. And maybe, just maybe, she can get back to being comfortable in her own skin again, without input from a man. But when she encounters Sexy Guy, Dean Michaels, everything Summer has ever known about the opposite sex is about to change.Dean Michaels knew he'd seen her somewhere before. What he never imagined was that the gorgeous woman in a baseball cap and hooded sweatshirt tossing back a beer in his favorite spot could be Summer McGallian-the woman who always looked like she'd stepped off the pages of a glamour magazine when he'd seen her from afar at work. And to make matters worse, she's Chase Marino's ex, the one guy who gets under his skin like no other. If the thought of being someone's bitch in jail wasn't enough to scare him, he would've strangled that bastard years ago and tossed the body in the Mojave Desert. But forget about Chase ... Dean knew from the moment he saw Summer's sexy smile and heard her cute laugh, she had to be his. And he won't let anything get in the way of that.The Against The Wall series isn't just about steamy sex scenes and swoon-worthy romance, but about new friendships, undying love, and a ton of laughter. Enjoy the ride as you get to know and love Summer and Dean, just as you did Shelly and Matt, and Melissa and Tyler, in the final book, Straddling The Edge.

Megan Miller's someday came and she and Alex Aguilar are a couple. She nabbed her dream guy and couldn't be happier. The only problem is, he is miles away in college and Meg is stuck at Carver High dealing with girl drama, boy problems and the fact that Alex is constantly surrounded by half naked girls. What should be the best year for Meg and company is shaping up to be a year filled with drama and tears and the possibility of a broken heart. Not to mention the confusing feelings she has about Travis, the newest member to the group. Can Meg and Alex make the distance work or will circumstances lead to Meg's happily-ever after being a thing of the past? And will Travis be there willing to pick up the pieces if it happens?

After three years of broken hearts, back stabbing, lying, cheating, and fighting Megan Miller and crew have finally made it to their senior year.

A Pride and Prejudice Story "All your favorite characters are here, but somehow it feels like you're meeting them for the very first time. I adored James Ramos's That Girl, Darcy." - Heidi Doxey, author of Liam Darcy, I Loathe You "Love. You can't tell when you'll catch it or who you'll fall for. But once it happens, it'll change everything for you." IT IS A TRUTH UNIVERSALLY ACKNOWLEDGED that geeky guys never get to date the pretty girls. Elliott Bennett is entering his senior year and finding a girlfriend is the last thing on his mind. That is, until Darcy Fitzwilliam moves into the only mansion in the neighborhood. When Elliott meets Darcy at a party, he finds out that she isn't into skateboarding (which he lives for), she hates science fiction (which he loves), and she thinks his friends are a pack of morons (which, honestly, might be half true)-and yet, there's something irritatingly intriguing about her. This gender-swapped Pride and Prejudice retelling brings back all the original characters in a quirky modern day setting that holds true to the original story while bringing new humor and misunderstandings. That Girl, Darcy is a Teen High School Romance.

'Malala is an inspiration to girls and women all over the world.' - J.K. Rowling Written by Malala in collaboration with critically acclaimed author, Patricia McCormick, this children's edition tells the remarkable story of a girl who knew from a young age that she wanted to change the world - and did. Her journey will open your eyes to another world and will make you believe in hope, truth, miracles, and the determination of one person to inspire change. Raised in a once-peaceful area of Pakistan transformed by terrorism, Malala was taught to stand up for what she believes. So she fought for her right to be educated. And on 9 October, 2012, she nearly lost her life for the cause. She was shot point-blank on her way home from school. No one expected her to survive. Now, she is an international symbol of peaceful protest and the youngest-ever Nobel Peace Prize winner. This book is a must-read for anyone who believes in the power of change.

If You Knew What Can Happen In The Next 52 Mondays It Would Take Your Breath Away" Stop and think about it. If you had started something new and worked on it every week since one year ago, what might you have been able to accomplish? Twelve months, after all, is plenty of time to start accruing success.

The fast-paced sequel to Specter of the Past pits Han, Luke, and Leia against the cunning Major Tierce, who is intent on cultivating discord within the New Republic and raising the evil Admiral Thrawn from the dead. Reprint.
