The creator of the "Mystery Method" introduced in Neil Strauss's best-selling *The Game* imparts salacious techniques for picking up and seducing women, in a guide that also shares extreme stories from Mystery's life. TV tie-in.

The world's greatest pickup artist is back! After the bestselling exposé *The Game* pulled back the curtain on Mystery and his culture of professional pickup artists, he became an international phenomenon. Unfortunately, while it's no secret that Mystery's ideas are wildly effective, women have started to catch on. They've seen the show and heard the routines—so now it's time for the next level of game! With techniques honed over fifteen years of trial, error, and ultimate triumph, and following his hit VH1 reality series, the celebrated sensei is back with his latest living-large exploits and a new and improved playbook for the twenty-first-century playboy. As the book begins, Mystery and his crew have withdrawn to their swank Miami mansion to plot their next move. When a new student comes to stay at the house, Mystery draws him deep into the pickup-artist lifestyle and shows him an intimate portrait of the master of seduction. Mystery lays out a complete system of game, and unveils his latest (and fully field-tested) strategies and techniques. *The Pickup Artist* includes • a list of all the triggers that create—and destroy—attraction • a new way to approach strangers and start a conversation: microcalibrated openers • Mystery's most powerful humor technique, the Absurd—so you'll never run out

of things to say again • a full chapter on physical escalation (touching, kissing, "making a move") • the solution to inner-game issues, for when you're not confident enough • and much, much more Whether he's holding court with eager disciples in South Beach, hanging out with his crew of fellow super-seducers in Las Vegas, or partying it up in the Hollywood Hills, Mystery is never far from where the action is—and never fails to get a piece of it. Now it's your turn. Read *The Pickup Artist* and get into the game.

"One of the most admired men in the world of seduction" (*The New York Times*) teaches average guys how to approach, attract and begin intimate relationships with beautiful women For every man who always wondered why some guys have all the luck, Mystery, considered by many to be the world's greatest pickup artist, finally reveals his secrets for finding and forming relationships with some of the world's most beautiful women. Mystery gained mainstream attention for his role in Neil Strauss's *New York Times* bestselling exposé, *The Game*. Now he has written the definitive handbook on the art of the pickup. He developed his unique method over years of observing social dynamics and interacting with women in clubs to learn how to overcome the guard shield that many women use to deflect come-ons from "average frustrated chumps." *The Mystery Method: How to Get Beautiful Women Into Bed* shares tips such as: \*Give more attention to her less attractive friend at first, so your target will get jealous and try to win your attention. \*Always approach a target within 3 seconds of noticing her. If a woman senses your hesitation, her perception of your value will be lower. \*Don't be picky. Approach as many groups of people in a bar as you can and entertain them with fun conversation. As you move about the room, positive perception of you will grow. Now it's easy to meet anyone you want. \*Smile. Guys who don't get laid, don't smile.

THE 2.5 MILLION COPY SELLING WORLDWIDE PHENOMENON MEN WILL DENY IT, WOMEN WILL DOUBT IT. NO MORE GAMES. IT'S TIME FOR THE TRUTH. Neil Strauss made a name for himself advocating freedom, sex and opportunity as the author of The Game. Then he met the woman who forced him to question everything. Neil's search for answers took him from Viagra-laden free-love orgies to sex addiction clinics, from cutting-edge science labs to modern-day harems, and, most terrifying of all, to his own mother. What he discovered changed everything he knew about love, sex, relationships and, ultimately, himself. The Truth may have the same effect on you.

Which sort of seducer could you be? Siren? Rake? Cold Coquette? Star? Comedian? Charismatic? Or Saint? This book will show you which. Charm, persuasion, the ability to create illusions: these are some of the many dazzling gifts of the Seducer, the compelling figure who is able to manipulate, mislead and give pleasure all at once. When raised to the level of art, seduction, an indirect and subtle form of power, has toppled empires, won elections and enslaved great minds. In this beautiful, sensually designed book, Greene unearths the two sides of seduction: the characters and the process. Discover who you, or your pursuer, most resembles. Learn, too, the pitfalls of the anti-Seducer. Immerse yourself in the twenty-four manoeuvres and strategies of the seductive process, the ritual by which a seducer gains mastery over their target. Understand how to 'Choose the Right Victim', 'Appear to Be an Object of Desire' and 'Confuse Desire and Reality'. In addition, Greene provides instruction on how to identify victims by type. Each fascinating character and each cunning tactic demonstrates a fundamental truth about who we are, and the targets we've become - or hope to win over. The Art of Seduction is an indispensable primer on the essence of one of history's greatest weapons and the ultimate power trip. From the internationally bestselling author of The 48 Laws of Power, Mastery, and The 33 Strategies Of War.
