This new edition has been updated and revised to accompany the Fifth edition of English Grammar in Use, the first choice for intermediate (B1-B2) learners. This book contains 200 varied exercises to provide learners with extra practice of the grammar they have studied.

This book will train students to recognise and produce English sounds, and includes work on stress and intonation.

The world's best-selling grammar series for learners of English. Basic Grammar in Use Fourth Edition is an American English self-study reference and practice book for beginner level

learners (A1-B1). With simple explanations, clear examples, and easy to understand exercises, it is perfect for students who are learning on their own, but can also be used in the classroom. It comes with an easy to use answer key in the back of the book.

English Grammar in Use Third edition is a fully updated version of the classic grammar title. It retains all the key features of clarity and accessibility that have made the book popular with students and teachers alike. Designed to be flexible, the book is available both with and without answers, making it ideal for self-study, but also suitable for reinforcement work in the classroom. The 'with answers' version of the book comes with a handy pull-out reference panel which allows students to review key grammar points at a glance. The book is also available with a CD-ROM, giving hundreds of interactive exercises to reinforce the language learned in the book.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format. The Grammar in Use Intermediate Third edition Workbook provides students with further opportunities to practice difficult grammar points and consolidate their understanding of related topics covered in Grammar in Use Intermediate Third edition. It offers a wide range of challenging activities and opportunities to work with grammar structures in meaningful contexts. This edition, with answers, is ideal for classroom use or self-study.

This pronunciation material is suitable for all advanced students and teachers of English who want to improve their understanding and competence in spoken English. It takes a discourse-based approach to the study of English pronunciation and intonation, encouraging learners to examine the sound system of English within the context of connected speech.

This American English edition of English Grammar in Use can be used both as a classroom text and as a grammar reference for students. Each unit deals with a particular grammar point (or points), providing clear explanations and examples on the left-hand page, with exercises to check understanding on the facing right-hand page. The book covers many of the problems intermediate students of American English encounter, including tense usage, modals, conditionals, the subjunctive and prepositions. A separate answer key is available for self-study, individual work in the language laboratory and as an easy reference for teachers.
