My mother, to whom my father was devoted, had once asked him if he loved his father more than he loved her. He replied simply, "Yes, I do." On the day of their reunion, my father, a thirty-four-year-old submarine commander, and his crew had just brought a surrendered Japanese submarine into Tokyo Bay.

FAITH OF MY FATHER is a fitting companion piece to 1987's HANOI HILTON -- another drama focusing on the daily suffering, torture, and brutal treatment the American P.O.W.s in North Vietnam's Hoa Lo Prison. If I am not mistaken, John McCain was a technical adviser to HANOI HILTON.

Congressman John McCain explains how he learned about life and honor from his grandfather and father, both four-star admirals in the U.S. Navy.

Senator John McCain's deeply moving memoir is the story of three generations of warriors and the ways that sons are shaped and enriched by their fathers. John McCain's grandfather, a four-star admiral and one of the navy's greatest commanders, led the strongest aircraft carrier force of the Third Fleet during World War II. McCain's father, also a four-star admiral, served as commander of all U.S. forces in the Pacific during the Vietnam War. It was in Vietnam that John McCain III faced the most difficult challenge of his life. A naval aviator, he was shot down over Hanoi in 1967. Recognized as the son of a top commander, McCain was tortured and imprisoned for five and a half years. Despite this, he refused Vietnamese offers of an early release.

Manasseh's persecution? Has it all gone too far..or will he rediscover his father's God? Faith of My Fathers is a riveting story of intrigue, deception, danger, and suspense.

Faith of My Fathers is three generations of American pastors telling their life stories in the context of the church. Together, this grandfather, father and three sons manifest a sweeping history extending from the 'good ol' days' of the 1950s to the postmodern shift through the new millennium. Politics, parenting, racism---no topic is off limits and no holds are barred. Often heated and always engaging, this family dialogue provides unique perspectives on the things that church owes to its grandparents and parents while affirming the need for today's church

John Malin. These intimate conversations articulate what it really means to nurture a missional Christianity while loving, honoring, and embracing the generations that have gone before.

Getting to know the Church Fathers means getting to know our own roots. It means knowing more deeply who we are as we learn more and more about who they are. The early Christians are our ancestors, our common genealogy, our family. When we look to our roots, what do we see? That's what Mike Aquilina shows you in this book. The Fathers managed to pull off an amazing achievement. They converted the pagan world in a mere two and a half centuries. They did it without any resources, without any social or political power. They did it

with the most primitive communications media. Yet their Church sustained a steady growth rate of 40 percent per decade over the course of those centuries. Maybe there's something we can learn from them. This book is a journey into that world, a tour where your guides are the Fathers.

Senator John McCain learned about life and honor from his grandfather and father, both four-star admirals in the U.S. Navy. Faith of My Fathers is about how their lessons enabled McCain to survive the greatest challenge of his life—when, as a naval aviator, he was shot down over Hanoi in 1967, seriously wounded, and imprisoned for more than five years. ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama guides us straight to the intersection of the most serious questions of identity, class, and race (The Washington Post Book World). Quite extraordinary. Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident.

yet forgiving. This is a book worth savoring. Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel." Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white." Marian Wright Edelman

Ruth Graham—third child and youngest daughter of Billy and Ruth Bell Graham—offers a rare, inside look at the twentieth century's most influential evangelist. In this substantive portrait, Ruth reflects on several different subjects, including her father's love for the world, his humility, grace, and loyalty. She concludes the book with a chapter on authenticity, written just after Dr. Graham's final crusade, which was held in New York in June 2005. Includes many previously unpublished Graham family photos and excerpts from personal letters.
