After a deadly train crash, the afterlife is waiting for Dylan. But that's only if she and her intriguing Ferryman can make it across the demon-infested wasteland--and if she can bear to let him go. When Dylan wakes up after her train has crashed, she thinks she has survived unscathed. But she couldn't be more mistaken: the bleak landscape around her isn't Scotland, it's a wasteland--a terrain somehow shaped by her own feelings and fears, a border to whatever awaits her in the afterlife. And the stranger sitting by the train track isn't an ordinary teenage boy. Tristan is a Ferryman, tasked with guiding Dylan's soul safely across the treacherous landscape, a journey he has made a thousand times before. Only this time, something's different. The crossing, as ever, is perilous, with ravenous wraiths hounding the two at each day's end, hungry for Dylan's soul. But as Dylan focuses her strength on survival, with Tristan as protector, challenger, and confidant, she begins to wonder where she is truly meant to be--and what she must risk to get there. An international bestseller with a phenomenal following, the award-winning Ferryman (with its sequels Trespassers and Outcasts) is in development to be a major motion picture.

When they broke through the boundary between the worlds of the living and the dead they defied the laws of the supernatural world, and showed the way for others to escape. Now they must face the consequences. Can true love transcend destiny? When the world of the dead claims Dylan's parents to restore the balance, Dylan and Tristan are offered a terrible bargain: stay together and condemn innocent souls to death, or return to the wasteland to take their place and face separation. Forever. With no place left for them in the world of the living or the dead, will Dylan and Tristan make a heartrending sacrifice?
