Read "Finding Faithful Elders and Deacons" by Thabiti M. Anyabwile available from Rakuten Kobo. An application-intensive approach to seeking out and developing qualified church leaders. Thoughtful analysis of key pas...

This book lays out an application-intensive approach to seeking out and developing qualified church leaders. Thoughtful analysis of key passages in Acts and 1 Timothy are balanced with practical action points in a contemporary context.

Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand [job description] for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

Is the Black Church dying? The picture is mixed and there are many challenges. The church needs spiritual revival. But reviving and strengthening the Black Church will require great wisdom and courage. Reviving the Black Church calls us back to another time, borrowing the wisdom of earlier faithful Christians. But more importantly, it calls us back to the Bible itself. For there we find the divine wisdom needed to see all quarters of the Black Church live again, thriving in the Spirit of God. It's pastor and church planter Thabiti Anyabwile's humble prayer that this book might be useful to pastors and faithful lay members in reviving at least some quarters of the Black Church, and churches of every ethnicity and context! all for the glory of God.

Biblically and practically instructs church members in ways they can labor for the health of their church. What Is a Healthy Church Member? takes its cue from Mark Dever's book What Is a Healthy Church?, which offered one definition of what a healthy church looks like biblically and historically. In this new work, pastor Thabiti Anyabwile attempts to answer the natural next question: "What does a healthy church member look like in the light of Scripture?" God intends for us to play an active and vital part in the body of Christ, the local church. He wants us to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. He intends for his churches to be healthy places and for the members of those churches to be healthy as well. This book explains how membership in the local church can produce spiritual growth in its members and how each member can contribute to the growth and health of the whole.

Powerful yet concise, Leaders Who Last instructs, warns, inspires, and challenges leaders with what it takes to live, lead, and make a lasting difference in the lives of others.

Arranged in a Q & A format, this volume tackles the major questions that pastors, church leaders, and students ask about congregational church government, a topic of much interest in the church today. It provides readers with a clear analysis of key biblical passages, succinct answers (4-8 pages each), and discussion questions. The unique format of the book allows the reader to pick and choose what issues are most pertinent to their interests and needs.

Strong leadership in the church is exactly what God had in mind. However, very few people, Gene Getz believes, understand the biblical pattern for church leadership. He has written Elders and Leaders to unravel the mystery and alleviate the confusion surrounding this critical topic. In the first part of the book, Getz lays the historical and biblical groundwork for the position of elder. In the second part, he shares how he has applied or has seen these principles applied over the years.

In many churches today, finding true, faithful servants to the church can feel like hunting for unicorns. Lots of people say they want to be like Jesus, but too few are willing to serve like him. "That Deacon Book" was written for pastors, staff, and lay leaders in mind. It can be handed to literally anyone in the church to great benefit.

How to meet a critical need: sharing the gospel with Muslims There are over three million Muslims living in the United States today. Soon, if not already, you will have Muslim neighbors and coworkers. Does the thought of reaching out to them with the gospel make you nervous? How can you effectively communicate the good news with such large theological differences? The Gospel for Muslims can help make sharing your faith easier than you think. Thabiti Anyabwile, who is himself a convert from Islam to Christianity, instructs you in ways to discuss the good news of Christ with your neighbors and friends. The Gospel for Muslims allows you to focus on the people rather than the religious system. Meant for the average Christian, it is not an exhaustive apologetic or comparative study of Christianity and Islam. Rather, it compellingly stirs confidence in the gospel, equipping you with the basics necessary to communicate clearly, boldly, and winsomely.
