The Gypsy Lovers By Sahara Kelly They were the toast of the Ton. Six wild and handsome "Gypsies" enthralling Regency London with their music. Finding solace from war-torn France in the quiet English countryside, Viktor Karoly and his friends seek nothing but a measure of contentment, a chance to rest and play their popular songs. Forged into a unit by their common need to protect the weak, all six gather one summer evening at a country house for a party. one that would split them up and send each on the adventure of a lifetime. Secrets would be revealed, their pasts would come back to haunt them, and for each man a woman-a special woman who could reach past their carefully-constructed facades and into the soul beneath. As fiery in bed as they are in their hearts, these Gypsy Lovers like nothing more than to burn up the sheets. However, none of them expected the resulting blaze to consume

She's after a duke, but it's the valet who gives her the royal treatment All Leah wanted was a little gallantry. But in this day and age, chivalry was most definitely dead. If only there were a way to travel back in time and snag her very own duke. Avery Russell was polishing some boots when a woman fell through the bedchamber mirror into his arms. All he could make out from her breathless babbling was some nonsense about "my one true love, Your Grace." Clearly the chit was mad if she couldn't tell a valet from a duke! As much as Avery wanted to give in and give her a good tumble, he knew it wouldn't be proper. No, he'd take as long as necessary to convince Leah that sometimes a duke just won't do.
