This book is for mature audiences 18+ It contains explicit language and sexual content. We can stumble upon a connection in life – a feeling, an instinct even, having an uncontrollable desire to act upon it – all the while knowing that acting upon it may or may not be the right thing to do. The thing is it's in that action where we prove our initial feeling to be right or wrong. Alexis Summers did just that; she took the plunge, acted on her instinct and followed her heart—a heart that led her to Bryce Clark. He was Melbourne's wealthiest bachelor, and she was a happily married mum—or, so she thought. They were worlds apart, yet somehow became inseparable. In Fulfillment - Alexis and Bryce are finally happy, in love, and expecting their first child together. But nothing is ever as it seems. One person does not share in their happiness and wants Alexis gone for good. One person can destroy everything.

Sometimes being happily married and completely content is not at all what it seems. That is what 35 year-old happily married, mother of

two, Alexis Summers finds out when she decides it is time to return to work. After being a stay-at-home mum for the past nine years, Alexis now realises a complete career change is just what she needs.

Sizzling power couple, Bryce and Alexis - from the Temptation novels - help bring sexy back to their friend's lacklustre thirteen-year marriage. Natasha Jones loves her life, her husband and their two young sons. She works hard both at home and as an Events Supervisor at City Towers. But when a relationship with her work colleague unexpectedly progresses, Tash begins to question whether or not her marriage has passed its 'Use by' date. Dean Jones is a numbers man but has no idea that his number could be up where his marriage is concerned. Never one to really speak his mind, he has always opted to just go with the flow in order to keep his wife happy. Passion, intimacy, and communication have taken a backseat to demanding careers, a mortgage, and family life, and it's not until Tash and Dean stand to lose everything they have built together that the spark between them begins to flicker again. And boy does it flicker ...and ignite ...and nearly burn the entire neighbourhood down!

Only those who are lost can be found. Stella Walker is fleeing from a past which haunts her on a daily basis, and from a city full of

painful reminders of a life that's no longer hers. In an attempt to escape her memories, she plans to reinvent herself in the sanctuary of a tiny town in rural Victoria, by tracking down the one person she hopes can help, her stepbrother. What Stella doesn't anticipate is meeting his best friend Lawson Drake, a hotter-than-hot mechanic, the local knight in shining armour – and the most gorgeously infuriating man Stella has ever seen. When Lawson comes across a broken-down car by the side of the road, he is intrigued by its owner – a caramel-eyed brunette who clearly has a score to settle, not only with her defective vehicle, but with anyone who tries to get too close. The thing is, something about her makes Lawson want to get as close as he can possibly get. Can Lawson help Stella to fix her broken heart, and discover herself again?

'I have this one week to prove to her that we belong together, and I'm not going to waste another second of it. Now that I have her, I am never letting her go.' Alexis Summers is no stranger to facing challenges. She has had her fair share of them since falling for handsome billionaire Bryce Clark. Just to make it even more complicated, Bryce is her boss. He is also a man who gets what he wants – and what he wants is Alexis. The problem is, Alexis is married. But her husband Rick has confessed to a secret from his past

that has set Alexis free, at least temporarily. Alexis has finally allowed herself to give in to the temptation that is Bryce Edward Clark, but as they realise the connection they share goes far deeper than anything either of them have ever experienced, will a single week together be enough? Can Alexis find satisfaction, in the compelling sequel to the bestseller Temptation?

Plight [plahyt] Noun: a difficult, or otherwise unfortunate situation. Verb: pledge or solemnly promise. Be engaged to be married. I promised myself to a man. Well, technically, I promised myself to a boy. We were eight years old. Neighbours. He gave me a Cheezel, pushed it onto my finger, and asked me to marry him. I ate the Cheezel. I also said, "Yes" but that we'd have to wait until we were thirty. It was my thirtieth birthday last week and now he's calling in that promise. Seriously, Elliot Parker is insane if he thinks that an out of the blue private Facebook message stipulating the binding law of an oral contractual agreement is going to seal our twenty-two-year bullshit engagement. Insane. I wonder if he really does look like his profile picture, though.

didn't take no for an answer.... NO!When freelance photographer, Corinne Lee, is required to visually document the nationwide tour of Wild Nights Male Revue, she finds herself in a world of near-naked, testosterone-fuelled men on stage-not her photographic muses of choice. She also finds herself in the arms of Josh, the revue's star performer.Josh Adams thrives on the limelight, the stage and, most of all, the attention of women who endlessly throw themselves at him. He dances sex, speaks sex, breathes sex ... is sex! Josh lives for sex, but never with the same woman. When both opinionated and headstrong characters are closely thrust together in a lust-ridden and sexually-charged environment, which of the two will break first?Will Josh realise that Corinne could be the exception to his 'no strings' rule? Or will Corinne let go of the fantasy of finding Mr One and Only?

This book is for mature audiences 18+ It contains explicit language and sexual content. Contrition, one would say is a humane and moral virtue. But in order to experience this form of repentance, you must first acknowledge your sin then show remorse for your wrongdoing. For most of Bryce Clark's adult life, he had been plagued by guilt over what he claimed was a wrong decision; a lapse of better judgement on his part. He hadn't lived the life he wanted to live, or thought he deserved-until Alexis came along. Alexis Summers-a breath of fresh

air, blown in for Bryce to inhale, allowing him to once again breathe; and live. She ensnared his heart, mind, body and soul. She consumed him, completely. Inseparable from the moment they first met, Bryce and Alexis are now engaged and expecting a baby. Bryce has everything he has ever wanted; wealth, the girl, and to become a father. Will he finally achieve his ultimate attainment? Or will guilt of what he deems are his mistakes-his sins-ruin everything?

The final volume in Manuel Castells' trilogy is devoted to processes of global social change induced by interaction between networks and identity.

This book calls for the conditions of transition to sustainability: How to take into consideration new global phenomena such as and of the dimension of climate change, the depletion of natural resources, financial crises, demographic dynamics, global urbanization, migrations and mobility, while bearing in mind short-term or local place-based issues, such as social justice or quality of life? Meeting this challenge requires an inclusive approach of sustainability. It is a matter of designing a new social contract: Sustainability requires more than developing the right markets, institutions and metrics, it requires social momentum. To do so, many

issues need a clear and complete answer: How to link social justice with sustainability policies? What governance tools to do so? What linkage between one decision-making level and the other? These are major issues to design sound transitions to sustainability.
