abounds. Celebrities have come forward to share their experiences and raise awareness. Chances are you know someone who has had it. But did you know that you make choices every day that bring you closer to breast cancer—or move you farther away? That in the majority of cases, cancer isn't up to fate, and there are ways to reduce your risk factors? That many of the things you've heard regarding the causes of breast cancer are flat-out false? There have been few solid guidelines on how to improve your breast health, lower your risk of getting cancer, optimize your outcomes if you're faced with a diagnosis, and make informed medical choices after treatment. Until now. "Dr. Funk writes *Breasts: The Owner's Manual* just like she talks: with conviction, passion, and a laser focus on you." —DR. learn the 10 truths, they are more likely to lead productive, fulfilled lives. Do you know that: Emotions are understandable and contain valuable information? Our behavior has a hidden purpose? We all have an internal saboteur whom we must identify and control? We can change how we act if we change how we think? Time heals nothing? *Your Mind: An Owner's Manual for a Better Life* combines extensive psychological research with decades of clinical practice in a practical, easy-to-digest narrative. Through examples and exercises, Drs. Cortman and Shinitzky present a step-by-step strategy to help you make use of the truths and become a happier, healthier you.
