This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

A passion that won't be denied despite the circumstances. Though Leigh cared deeply for Jim, it was his fiery older brother Tre who held the key to her heart. For the past ten years she's lived with the daily pain of knowing that Tre turned his back on the passion that had flared hot and bright between them. A second chance at a once-in-a-lifetime love. Tre knew from the moment that he first saw Leigh stroking his half-wild horse that her elegant, delicate appearance belied the depth and strength of her spirit. He'd dared to make Leigh his own, showing loyalty to nothing and no one beyond the laws of nature that clearly decreed that she was his. When Leigh denied what should have been undeniable, he knew the bitter taste of betrayal. Now a family tragedy has forced Tre and Leigh together once again. Guilt, anger and betrayal rage between them, but so does a desire hot enough to incinerate all else in its wake.
