This book systematically reconstructs the origins and new advances in economic sociology. By presenting both classical and contemporary theory and research, the volume identifies and describes the continuity between past and present, and the move from economics to economic sociology. Most comprehensive and up-to-date overview available by an internationally renowned, award-winning economic sociologist Systematically reconstructs the origins and new advances in economic sociology Organizes the perspectives and methods of economic sociologists of the classical and contemporary eras, including coverage of modernization, globalization, and the welfare state Provides insights into the social consequences of capitalism in the past and present for students of economic sociology.

Un bel mattino passeggiavo con mio padre, secondo il nostro costume; eravamo inseparabili; s'egli andava in un luogo senza di me, di là a un poco mi vedeano spuntare; pareva che sapessi di doverlo perdere così presto. Ero in su que' bei diciott'anni, e su que' bei colli veronesi. La strada che talora serviva di letto al torrente, serpeggiava profonda, sassosa, sdrucchiola, tutta segnata sulla creta, dalle unghie fesse delle pecore, e dalle scarpe ferrate dei montanari. Due file di càrpini e di querce scapitozzate con macchie di rovi legate insieme da volubili madriselve sorgevano ombrose sull'alto delle due ripe, più a guisa di parete che di siepe, lasciando cadere dai cigli corrosi le pendole barbe delle radici nude.
