Shooters prize the semiautomatic Glock for its reliability and ease of use. But what many may not know is that with a few scraps of metal and some simple hand tools, the amateur tinkerer can convert any Glock to full automatic. The conversion design detailed in this book allows properly licensed individuals to transform a regular semiauto pistol into one that delivers selective-fire operation without altering the major components of the gun such as the receiver (frame) or slide. Step-by-step instructions, professionally prepared technical illustrations of weapon functions in semi and full-auto combined with high-quality photos showing the modified factory components and their proper relationships with the full-auto conversion parts allow the reader to clearly see and understand how the whole system works. Warning: Actual construction of the weapon described in this book may be illegal under federal, state, and local laws. All BATF rules apply, and the BATF actively pursues and prosecutes anyone who

Alien Reptilians, who are multidimensional extraterrestrials, have been plaguing our planet for eons, lowering our vibrational frequency and using fear, manipulation, and mind-control to dominate and enslave humanity. They have no natural enemies here, so they have had free rein to carry out their agenda. But that is no longer the case! The Arcturians, a much more powerful race of multidimensional extraterrestrials, are right now helping to heal the planet and raise its vibrational frequency by removing alien Reptilians and sending them to the Light. The Arcturians are highly advanced, very loving and peaceful beings from Arcturus, a star in the Bootes Constellation. They are ready to communicate and work with any soul who aspires to journey with them to a higher level of consciousness. In their words: "The souls of the people of Mother Earth have suffered enough over the ages, and now is the time to make the Age of Aquarius a new and glorious era." Wayne Brewer is a prominent private investigator with over 35 years of experience uncovering hidden truths and the author of "Are You Possessed? Now Is the Time for Divine Intervention."
