Too worn out by the end of the day to memorize scripture? Would you gladly spend time in prayer, if you could just stay awake? If any of the above describes you, God Moments is a must read for you. With an easy-to-read style and warm humor, David Cornell takes you on an exciting journey of personal discovery. His unique, sincere honesty draws you eagerly to his side as he takes you on a walk through his life as a child of God. His openness about both his failures and successes boldly challenge the New Year's resolution approach to Christianity. As such, God Moments is a call to freedom in Christ, not long-to-do lists. It encourages you to zero in on the fullness of what Christ's death and resurrection means for you today, right now, in this very moment. By so doing, God Moments brings to light the secret to living a vibrant, victorious Christian life in an ever-increasing secular world.

Where do you seek God? Are you waiting for him to appear in a monumental, life-altering event? In God Moments, Catholic blogger Andy Otto shows you how to discover the unexpected beauty of God's presence in the story of ordinary things and in everyday routines like preparing breakfast or walking in the woods. Drawing on the Ignatian principles of awareness, prayer, and discernment, Otto will help you discover the transforming power of God's presence in your life and better understand your place in the world. Andy Otto found God's presence in surprising moments during his life!when, as a Jesuit scholastic, he taught children in Jamaica and also as he discerned the call to marriage with his wife. By combining elements of Ignatian spirituality with the lessons that came from his experiences, Otto identified three practices that helped him find God in all things: Awareness!Gain an understanding that God is present in the ordinary messiness of our lives such as battle with depression or sharing in the struggle of a friend. Prayer!Develop a prayer life using Ignatian practices such as asking for a morning grace and examining how your prayer was answered at the end of the day. That way you can focus on a personal relationship with God that finds everyday physical activities such as making a meal as an opportunity to talk to him. Discernment!The more you are aware of God's presence and draw closer to him in prayer, the better you can learn how to plug into God's narrative of the world in a way that enables you to participate in the divine story through the use of your gifts and talents. With God Moments as a guide, you'll have a better understanding of how to seek personal wholeness in the reality of God's presence in the ordinary and learn to accept his invitation to participate in his transformation of the world.

In a society that often focuses on its negative experiences, Alan Wright offers a refreshing new perspective: the positive experiences we have daily are proof of God's active involvement in our lives. Alan encourages Christians needing hope to "remember God" -- to rediscover forgotten joyous memories and understand that yesterday's hidden treasures are tomorrow's spiritual riches. In an inspirational style perfect for devotions, the author skillfully leads readers to uncover the unshakable and uplifting evidence of their own God Moments. Now in a fresh, contemporary paperback cover!
