The Best Action Movies on Netflix Canada, According to ...

Netflix's film of the moment is a damn good action-fantasy. The Charlize Theron-starrer follows a group of immortal warriors – and it impressively offers up a substantial amount of drama and character development than that quick logline would suggest. It's also a great franchise-starter, so get on it before the sequels begin arriving.

Best Action Movies On Netflix Right Now

This volume of the classic stories of Philip K. Dick offers an intriguing glimpse into the early imagination of one of science fiction's most enduring and respected names. Since his untimely death in 1982, interest in Dick's work has continued to mount and his reputation has been enhanced by a growing body of critical attention as well as many films based on his stories and novels. Featuring the story We Can Remember It for You Wholesale, which inspired the major motion picture Total Recall, this collection draws from the writer's earliest fiction, written during the years 1952-55. Also included are fascinating works such as The Adjustment Team (basis of the 2011 movie The Adjustment Bureau), Imposter (basis of the 2001 movie), and many others. "A useful acquisition for any serious SF library or collection." --Kirkus Reviews "More than anyone else in the field, Mr. Dick really puts you inside people's minds." --Wall Street Journal "The collected stories of Philip K. Dick are awe-inspiring." --Washington Post

For half a century the Manson Family has captured the public imagination—the lurid, inexplicable violence in a glamorous Hollywood setting, the bizarre and lengthy trials, and Charles Manson's strange charisma and willingness to embrace the role of evil icon. For years, the story has been documented, dramatized and lampooned in dozens of films and television programs. This comprehensive study examines the various on-screen portrayals, from factual accounts based on prosecutor Vincent Bugliosi's true crime classic Helter Skelter to prime-time TV dramas to a claymation spoof and even hardcore porn.

The brilliant screenplay of the forthcoming film The Trial of the Chicago 7 by Academy and Emmy Award–winning screenwriter and director Aaron Sorkin. Sorkin's film dramatizes the 1969 trial of seven prominent anti-Vietnam War activists in Chicago. Originally there were eight defendants, but one, Bobby Seale, was severed from the trial by Judge Julius Hoffman—after Hoffman had ordered Seale bound and gagged in court. The defendants were a mix of counterculture revolutionaries such as Abbie Hoffman and Jerry Rubin, and political activists such as Tom Hayden, Rennie Davis, and David Dellinger, the last a longtime pacifist who was a generation older than the others. Their lawyers argued that the right to free speech was on trial, whether that speech concerned lifestyles or politics. The Trial of the Chicago 7 stars Sacha Baron Cohen, Eddie Redmayne, Frank Langella, and Mark Rylance, among others, directed by Aaron Sorkin. This book is Sorkin's screenplay, the first of his movie screenplays ever published.

INSTANT #1 NEW YORK TIMES BESTSELLER WALL STREET JOURNAL BESTSELLER BARNES & NOBLE BESTSELLER AMAZON BESTSELLER "Paging through Serrano's Movies (and Other Things) is like taking a long drive at night with a friend; there's that warmth and familiarity where the chat is more important than the fastest route from Point A to Point B...It's like a textbook gone right; your attention couldn't wander if it tried." -- Elisabeth Egan, New York Times Book Review Shea Serrano is back, and his new book, Movies (And Other Things), combines the fury of a John Wick shootout, the sly brilliance of Regina George holding court at a cafeteria table, and the sheer power of a Denzel monologue, all into one. Movies (And Other Things) is a book about, quite frankly, movies (and other things). One of the chapters, for example, answers which race Kevin Costner was able to white savior the best, because did you know that he white saviors Mexicans in McFarland, USA, and white saviors Native Americans in Dances with Wolves, and white saviors Black people in Black or White, and white saviors the Cleveland Browns in Draft Day? Another of the chapters, for a second example, answers what other high school movie characters would be in Regina George's circle of friends if we opened up the Mean Girls universe to include other movies (Johnny Lawrence is temporarily in, Claire from The Breakfast Club is in, Ferris Bueller is out, Isis from Bring It On is out...). Another of the chapters, for a third example, creates a special version of the Academy Awards specifically for rom-coms, the most underrated movie genre of all. And another of the chapters, for a final example, is actually a triple chapter that serves as an NBA-style draft of the very best and most memorable moments in gangster movies. Many, many things happen in Movies (And Other Things), some of which funny, others of which are sad, a few of which are insightful, and all of which are handled with the type of care and dedication to the smallest details and pockets of pop culture that only a book by Shea Serrano can provide.

#1 NEW YORK TIMES BESTSELLER • John Grisham's first work of nonfiction: a true crime story that will terrify anyone who believes in the presumption of innocence. NOW A NETFLIX ORIGINAL DOCUMENTARY SERIES "Both an American tragedy and [Grisham's] strongest legal thriller yet, all the more gripping because it happens to be true."—Entertainment Weekly In the town of Ada, Oklahoma, Ron Williamson was going to be the next Mickey Mantle. But on his way to the Big Leagues, Ron stumbled, his dreams broken by drinking, drugs, and women. Then, on a winter night in 1982, not far from Ron's home, a young cocktail waitress named Debra Sue Carter was savagely murdered. The investigation led nowhere. Until, on the flimsiest evidence, it led to Ron Williamson. The washed-up small-town hero was charged, tried, and sentenced to death—in a trial littered with lying witnesses and tainted evidence that would shatter a man's already broken life, and let a true killer go free. Impeccably researched, grippingly told, filled with eleventh-hour drama, The Innocent Man reads like a page-turning legal thriller. It is a book no American can afford to miss. Praise for The Innocent Man "Grisham has crafted a legal thriller every bit as suspenseful and fast-paced as his bestselling fiction."—The Boston Globe "A gritty, harrowing true-crime story."—Time "A triumph."—The Seattle Times BONUS: This edition includes an excerpt from John Grisham's The Litigators.

Late one winter afternoon in the small town of Chosen, New York, professor George Clare knocks on his neighbor's door with terrible news: he returned from work to find his wife, Catherine, murdered in their bed. Someone took an ax to her head while their three-year-old daughter, Franny, played alone in her room across the hall. Recent transplants to Chosen, the Clares have not received the warmest welcome; once a thriving dairy farm, their home is haunted by the tragedy that left the former owner's three sons orphaned and adrift. As one dark secret peels away to reveal others—and as the Clare marriage reveals itself to have a sinister darkness that rivals the farm's history—Elizabeth Brundage offers a rich and complex portrait of the scars that can haunt a community for generations and the dark longings inside each and every one of us that drive us to do inexplicable things.

One of the most original shows in the history of television, Mystery Science Theater 3000 is a beloved cult hit built on the back of another cult phenomenon: the bad movie. The show's premise involved a man and some robots watching cheesy movies and cracking jokes. Over its 197 episodes, MST3K developed a passionate fan base that took it from a local UHF show in Hopkins, Minnesota, to a major motion picture. This is the story of MST3K from the beginning to the end. Twelve of the episodes, along with some shorts and the movie, are covered, giving an in-depth look at the show, its ethos and its comedic style. The films screened in these episodes are discussed critically, as are the episodes themselves.

"Collects Polar: the black kaiser, previously published by Dolmen Editorial."

Andy wrestles with her past, and Nile continues to come to grips with her future. As their war against human trafficking escalates, their adversary is ultimately revealed, and the looming confrontation will unearth things long buriedÉ Soon to be a major motion picture starring Charlize Theron and KiKi Layne, THE OLD GUARD roars back! From the acclaimed New York Times–bestselling team of GREG RUCKA and LEANDRO FERNçNDEZ and the stellar artistic talents of DANIELA MIWA, JODI WYNNE, and ERIC TRAUTMANN.

In her 6,000 years of life, death, warfare, and sin, Andy has never faced an enemy so deadly as the killer who stands before her now. After disrupting a human trafficking operation, Nile and the rest of the team meet the mastermind a figure from Andy's past she never thought she'd see again. Soon to be a major motion picture starring Charlize Theron and KiKi Layne, THE OLD GUARD roars back! From the acclaimed New York Times–bestselling team of GREG RUCKA and LEANDRO FERNçNDEZ and the stellar artistic talents of DANIELA MIWA, JODI WYNNE, and ERIC TRAUTMANN.
