about money -- about having enough -- and it begins with a startling assumption: No amount of money will ever lift your anxiety. This may seem counterintuitive, but in Gregory Jeffrey we have an experienced guide. With degrees in business and theology, he has worked as a development consultant for two decades.

In meeting with thousands of individuals to ask their support for various causes, he discovered -- to his amazement -- that some people with millions worried constantly about money; others, of very modest means, seemed immune.

Apparently, making peace with money entails something other than money. This
