Heaven Texas Chicago Stars 2

Book 2 of the Chicago Stars series.

Romantic, witty, funny, angsty...

characterization, humor, passion...and set

in a small town called Heaven, Texas.

Quibbles: over-dramatic, and sometimes

the setting didn't feel vivid. The story is

sometimes quietly funny, but not in a

stupid or slap-stick way. I chuckled

Aunque haya firmado no quiere decir que vaya a rodarla# Cuando finalmente la productora se cansa de esperar que se presente en el plató, encarga a la cándida Gracie Snow la misión de acompañarlo al lugar de rodaje. Gracie Snow ha vivido siempre en una residencia de ancianos propiedad de sus padres y, cuando por fin sale de allí, quiere ser libre como un pájaro. Lástima que su primer trabajo en la productora sea encargarse de un hombre mimado y pagado de sí mismo como Bobby Tom Denton. Bobby Tom resulta ser un duro trabajo a jornada completa por el que acaba sintiéndose muy atraída.

with that. "There's been a terrible misunderstanding, Mr. Denton. Can't you see that I don't look like a stripper?"

Gracie snatched up her suit jacket.

"Please. Could we go somewhere private to talk?" Bobby Tom sighed and uncoiled from his chair. "I s'pose we'd better. But you've got to give me your word you'll keep your clothes on. It wouldn't be fair for me to see you naked when my party guests can't." "I promise, Mr. Denton, that you will never see me naked." He looked doubtful. "I don't mean to question your good intentions, honey, but judging from my past history, it might not be that easy for you to resist." A head-spinning battle of the sexes with Beauty waging war against Brain, except this male beauty has a fine intelligence, and brainy Gracie isn't nearly as ordinary as she thinks.

creator of the Daphne the Bunny children's book series, but the rest of her life could use some improvement. She has a reputation for trouble that started even before she gave away her fifteen-million-dollar inheritance. Then there's her long-term crush on the quarterback for the Chicago Stars football team her sister owns—that awful, gorgeous Kevin Tucker, a man who can't even remember Molly's name! One night Kevin barges into Molly's not-quite-perfect life and turns it upside down. Unfortunately, the Ferrari-driving riving, poodle-hating jock isn't as shallow as she wishes he were, and she soon finds herself at a place called Wind Lake. Surrounded by paintbox cottages, including a charming old bed-and-breakfast, Molly and Kevin battle their attraction and each other as they face one of life's most important lessons. you mad as hell, and sometimes—if you're lucky—it can heal in a most unexpected way.

The Windy City isn't quite ready for Phoebe Somerville—the outrageous, curvaceous New York knockout who has just inherited the Chicago Stars football team. And Phoebe is definitely not ready for the Stars' head coach, former gridiron legend Dan Calebow, a sexist jock taskmaster with a one-track mind. Calebow is everything Phoebe abhors. And the sexy new boss is everything Dan despises—a meddling bimbo who doesn't know a pigskin from a pitcher's mound. So why is Dan drawn to the shameless sexpot like a heat-seeking missile? And why does the coach's good ol' boy charm leave cosmopolitan Phoebe feeling awkward, tongue-tied . . . and ready to fight? The sexy, heartwarming, and hilarious

All Annabelle has to do is land the Windy City's hottest bachelor as her client, and she'll be the most sought-after matchmaker in town. Why does the wealthy, driven, and

But Heath is searching for the ultimate symbol of success -- the perfect wife. And to make an extraordinary match, he needs an extraordinary matchmaker, right? Soon everyone in Chicago has a stake in the outcome, and a very big question: When the determined matchmaker promised she'd do anything to keep her star client happy . . . did she mean anything? If Annabelle isn't careful, she just might find herself going heart-to-heart with the toughest negotiator in town.

Blue Bailey is on a mission to murder her ex. Or at least inflict serious damage. As for the beaver suit she's wearing . . . Is it her fault that life keeps throwing her curveballs? Witness the expensive black sports car pulling up next to her on the highway and the Greek god stepping out of it. Blue's career as a portrait painter is the perfect job for someone who refuses to stay in one place for very long. She needs a ride, and America's most famous football player has an imposing set of wheels. Now, all she has to do is keep him entertained, off guard,

But Dean isn't the brainless jock she imagines, and Blue—despite her petite stature—is just about the toughest woman Dean has ever met. They're soon heading for his summer home where their already complicated lives and inconvenient attraction to each other will become entangled with a charismatic but aging rock star; a beautiful fifty-two-year-old woman trying to make peace with her rock and roll past; an eleven-year-old who desperately needs a family; and a bitter old woman who hates them all. As the summer progresses, the wandering portrait artist and the charming football star play a high-stakes game, fighting themselves and each other for a chance to have it all. *Natural Born Charmer* is for everyone who's ever thought about leaving their old life in the dust and never looking back.
