inheritance and is seeking to gain another advantage in a similar manner.

Works and Days | epic poem by Hesiod | Britannica

by The British Museum (CC BY-NC-SA) Works and Days is an epic poem written in dactylic hexameter, credited to the 8th-century BCE Greek poet Hesiod. Hesiod is generally remembered for two epic works, Theogony and Works and Days but, like his contemporary Homer, he was part of an oral tradition and his works were only put into written form decades after his death.

Works and Days - Ancient History Encyclopedia

HESIOD, WORKS AND DAYS. HESIOD was a Greek epic poet who flourished in Boeotia in the C8th B.C. He was alongside Homer the most respected of the old Greek poets. His works included a poem titled the Theogony, a cosmological work describing the origins and genealogy of the gods, Works and Days, on the subjects of farming, morality and country life, and a large number of lost or now fragmentary poems including the Catalogues of Women, Eoiae, and Astronomy.

introduction on Hesiod and his work, subtly amended his faithful translations, significantly augmented the notes and index, and updated the bibliography. --Johns Hopkins University Press.

Greek poet Hesiod took many lines of thought and knowledge - myth, fable, personal experience, practical understanding - and wove them into one great whole. He did as much with the origins of the Greek gods in the Theogony, and then did the same in creating his manual of moral and practical advice, Works and Days. Here, Stephanie

Get Free Hesiod Works And Days

Nelson's translation of Works and Days is paired with Richard S. Caldwell's take on the Theogony. Along with introductory essays, these comprehensible versions of Hesiod's two best-known poems make it easy for readers to see why Hesiod's writings continue to resound through the ages.

Hesiod's 'Works and Days' was often performed in its entirety, but was also relentlessly excerpted, quoted, and reapplied. This volume situates the poem within these two modes of reading and argues that the text itself, through Hesiod's complex mechanism of

Get Free Hesiod Works And Days

rendering elements detachable whilst tethering them to their context for the purposes of the poem, sustains both treatments.

A translation of Hesiod's poems. It captures Hesiod's rustic wisdom, his humour and his cautious pessimism.

Written in the late eighth century BC by

Get Free Hesiod Works And Days

Hesiod, one of the oldest known of Greek poets, Theogony and Works and Days represent the earliest account of the origin of the Greek gods, and an invaluable compendium of advice for leading a moral life, both offering unique insights into archaic Greek society. There are a number of modern translations of Hesiod available, rendered in serviceable English, but until now no one has created a work of literature equal to the original. This translation is the result of a unique collaboration between a classicist and a poet, capturing in English fourteeners the works' true poetic flavor while remaining

Get Free Hesiod Works And Days

faithful to the Greek text and the archaic world in which it was composed. This translation contains a general introduction, a translator's introduction, notes, and a glossary. It will be of interest to general readers, students of and specialists in classical literature, and lovers of poetry. "This Schlegel-Weinfield translation of Hesiod is superbly crafted: compelling, unforgettable poetry to be read aloud with delight and gratitude." --Allen Mandelbaum, Endowed Kenan Professor of Humanities, Wake Forest University "This exciting and unique collaboration between a classical philologist

Get Free Hesiod Works And Days

and a poet will not just provide insight into archaic Greek society, but also offer something new: the opportunity to experience the richness of Hesiod's style, language, and modes of thought with remarkable fidelity to the ancient Greek. Weinfield and Schlegel make Hesiod sing." --Carole Newlands, Classics Department, University of Wisconsin

"Schlegel and Weinfield have produced one of the most remarkable of a current resurgence of translations from the classics, allowing the modern world to hear a poet who may have known Homer. Hesiod's song makes us understand why the Greeks thought a poet

Get Free Hesiod Works And Days

could draw dolphins through the seas or raise the walls of Thebes. Weinfield translates by ear and transfers what he hears to the page, resonant fourteeners, a worthy echo of the past." --Charles Stanley Ross, Professor, Department of English, and Director, Comparative Literature, Purdue University
Catherine Schlegel is Associate Professor of Classics, University of Notre Dame. Henry Weinfield is Professor and Chair of Liberal Studies, University of Notre Dame, and translator of The Collected Poems of Stephane Mallarme.

Already a classic, Hesiod: Theogony, Works and Days, Shield is now more valuable than ever for students of Greek mythology and literature.

In this new translation of Hesiod, Barry B. Powell gives an accessible, modern verse rendering of these vibrant texts, essential to an understanding of early Greek myth and society. With stunning color images that help bring to life the contents of the poems and notes that explicate complex passages, Powell's fresh renditions provide an exciting introduction to the culture of the ancient

Get Free Hesiod Works And Days

Greeks. This is the definitive translation and guide for students and readers looking to experience the poetry of Hesiod, who ranks alongside Homer as an influential poet of Greek antiquity.

Greek poet Hesiod, who lived sometime during the 8th and 7th century B.C., is regarded as one the most important poets of classical antiquity. What little is known of him largely comes from his own epic poetry, in which he unconventionally inserted details of his life. Only three of his works, the "Theogony," "Works and Days," and the "Shield

Get Free Hesiod Works And Days

of Heracles" survive to this day in their entirety. The "Theogony" is a foundational work of Greek mythology which concerns the creation of the world and the origins and genealogies of the Greek gods. In synthesizing the variety of local Greek traditions concerning the gods into a single narrative, Hesiod's "Theogony" would give uniformity to his culture's myths in a way that would be highly influential. Also included in this volume is Hesiod's "Works and Days," in which the poet argues that labor is a fundamental condition of human existence and to those who are willing to

Get Free Hesiod Works And Days

work success will most surely be achieved. A treatise on the virtue of hard work, "Works and Days" is a didactic poem addressed to his brother Perses, who has squandered his inheritance, and who through bribery has deprived Hesiod of part of his own patrimony. Lastly in this volume is the "Shield of Heracles" a work which details the conflict between the mythological figures of Heracles and Cycnus. This edition is printed on premium acid-free paper and follows the translations of Hugh G. Evelyn-White.
