The math, when you think about it, is a little crazy: The city and state together spend about \$27,000 a year per student educating the city's 17-year-old public high school seniors, and only ...

Her School Offered a Path to the Middle Class. Will Covid ...

IF KILIAN JORNET had his way, he would be content living the life of a hermit, wandering the high mountains in search of his fix of solitude amid nature. It's essentially what he does today, though there's a spotlight following him wherever he goes. There are days when he considers it to be a part ... Continue reading "In High Spirits"

A collection of eighteen stories about ghosts and other haunting tales of the supernatural.

A memoir from a schoolteacher of growing up in the heart of the Midwest during the Great Depression describes her close family life on an Iowa farm during a time of endless work and resourcefulness, with no tolerance for idleness or waste.

This title leads readers to the best in the USA's number two destination state, from South Florida and the Gulf Coast to Central Florida and the great north. It covers all the top attractions: Miami and South Beach, the Everglades, the Keys, Daytona Beach, and the worlds number one vacation destination - Orlando and its theme parks.

High Spirits leads readers on a neighborhood-by-neighborhood pub crawl in search of the San Francisco's most remarkable nightspots. Photographs accompany descriptions of each bar's colorful history, unique architectural features, owners, and clientele. All of the bars shown are at least forty years old and deemed sites of significant historic or cultural value by San Francisco Heritage.

The absurdities of fashion, the perils of love, political machinations and royal intrigue were the daily subject matter of Thomas Rowlandson, one of the leading caricaturists of Georgian England. Rowlandson was working at a time when English satirical prints were prized by collectors across Europe. A number of the works in the exhibition were purchased by George, Prince of Wales, later Prince Regent and King George IV. Ironically the Prince was often the butt of caricaturists' jokes and sometimes tried to prevent the publication of images that he felt were particularly offensive. Through Rowlandson's drawings and prints, the exhibition examines life at the turn of the 19th century. 0Exhibition: The Queen's Gallery, Palace of Holyroodhouse, Edinburgh, UK (11.2013).
